PREAMBLE

This Draft Scheme (hereinafter defined) is presented under Section 230 to 232 of the Act (hereinafter defined) read with section 66 of the Act, and other relevant provisions of the Act, as applicable from time to time, for the transfer and vesting of Automobile Seating Undertaking (hereinafter defined) of Sharda Motor Industries Limited (hereinafter defined as "SMIL" or "Demerged Company") to NDR Auto Components Limited (hereinafter defined as "NACL" or "Resulting Company") with effect from the Appointed Date (hereinafter defined), and upon the occurrence of the Effective Date (hereinafter defined). In addition, this Scheme of Arrangement also provides for various other matters consequential or otherwise integrally connected herewith.

A. Background

i. Sharda Motor Industries Limited is a public limited company incorporated under the provisions of Companies Act, 1956 on January 29, 1986bearingCorporate Identification Number L74899DL1986PLC023202. The registered office of SMIL is situated at D-188, Okhla Industrial Area, Phase-I, New Delhi - 110020. The correspondence email address of SMIL is smil@shardamotor.com. The equity shares of SMIL are listed on Bombay Stock Exchange Limited ("BSE") & National Stock Exchange of India Limited ("NSE").

SMIL has the following business undertakings:

a) Suspension, Exhaust, Silencer, Canopy and White Goods Undertaking engaged in manufacturing of suspension, exhaust, silencer, Canopy and white goods i.e. Air Conditioner & Components thereof; and

b) Automobile Seating Undertaking engaged in manufacturing of automobile seating.

ii. NDR Auto Components Limited is a public limited company incorporated under the provisions of Companies Act, 2013 on March 19, 2019 bearing Corporate Identification Number U29304DL2019PLC347460. The registered office of NACL is situated at D-188, Okhla Industrial Area, Phase-I, Delhi-110020. The correspondence email address of NACL is ndr_auto_components@outlook.com. B. Rationale for the Scheme of Arrangement

The arrangement is aimed at demerger of "Automobile Seating Undertaking"(hereinafter defined) of SMIL into NACL to segregate the said business. The transfer and vesting by way of a demerger shall achieve the following benefits for SMIL and NACL:

a) The Automobile Seating Undertaking carried on by SMIL has significant potential for growth. The nature of risk, competition, challenges, opportunities and business methods for the Automobile Seating Undertaking is separate and distinct from the other business of the Company. The Automobile Seating Undertaking would become capable of attracting a different set of investors, strategic partners, lenders and other stakeholders and would further enhance the shareholders wealth.

b) The management teams and Board of Directors of SMIL and NACL would be able to chart out independent strategies of their respective businesses to maximize value creation for their respective stakeholders. Demerger shall enhance focus of management on the operations of the Automobile Seating Undertaking by NACL and Suspension, Exhaust, Silencer, Canopy and White goods Undertaking by SMIL.

c) As part of the Resulting Company, the Automobile Seating business shall be amenable to benchmarking, and be in a position to attract the right set of investors, strategic partners, employees and other relevant stakeholders.

d) The demerger will permit increased focus by SMIL and NACL on their respective businesses in order to better meet their respective customers' needs and priorities, develop their own network of alliances and talent models that are critical to success.

There is no adverse effect of Scheme on any of the directors, key management personnel, promoters, non-promoter members, creditors and employees of SMIL and NACL.

The transfer and vesting of the Automobile Seating Undertaking (hereinafter defined) into NACL would be in the best interests of the shareholders, creditors and employees of SMIL and NACL, respectively, as it would result in enhanced value for the shareholders and allow focused strategy in operation of the Automobile Seating Undertaking and the Remaining Business(hereinafter defined) of SMIL. Pursuant to this Scheme all the shareholders of SMIL will get shares in NACL and there would be no change in the economic interest for any of the shareholders of SMIL pre and post implementation of the Scheme.

In view of the above rationale, the Board recommended a Scheme of Arrangement whereby the Automobile Seating Undertaking of SMIL will be demerged into NACL as a going concern with effect from the Appointed Date (hereinafter defined). Accordingly, the Board of Directors of SMIL and NACL have decided to make requisite applications and/or petitions before the Tribunal (hereinafter defined) as the case may be, as applicable under Sections 230 to 232 of the Act (hereinafter defined) read with section 66 of the Act, and other applicable provisions for the sanction of this Scheme.

C. **Treatment of Scheme for the purposes of Income-Tax Act, 1961**

The provisions of this Scheme have been drawn up to comply with the conditions relating to "Demerger" as defined under Section 2(19AA) of the Income-tax Act, 1961 ("IT Act"). If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said Section at a later date including resulting from an amendment of law or for any other reason whatsoever, the provisions of the said Section of the IT Act shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(19AA) of the IT Act. Such modifications will however not affect the other provisions of the Scheme.

D. **The Scheme is divided into the following parts:**

PART A deals with Definition and share capital of the companies.

PART B (Read with Schedule I and Schedule II) deals with the transfer and vesting of the Automobile Seating Undertaking (hereinafter defined) of SMIL to and with NACL in accordance with section 230 to 232 of the Act (hereinafter defined) read with section 66 of the Act, other applicable provisions of the Act (hereinafter defined), and in accordance with section 2(19AA) of the IT Act.

PART C deals with General terms and conditions that would be applicable to the Scheme.

without hindrance and that such approvals, clearances and permissions shall remain in full force and effect in favour of or against NACL, as the case may be, and may be enforced as fully and effectually as if, instead of SMIL, NACL had been a party or beneficiary or obligee thereto.

5.8. In so far as various incentives, subsidies, exemptions, special status, service tax benefits, income tax holiday/benefit/losses and other benefits or exemptions or privileges enjoyed, granted by any Government body, regulatory authority, local authority or by any other person, or availed of by SMIL are concerned, the same shall, without any further act or deed, in so far as they relate to the Automobile Seating Undertaking, vest with and be available to NACL on the same terms and conditions, as if the same had been allotted and/or granted and/or sanctioned and/or allowed to NACL.

5.9. Any claims due to SMIL from its customers or otherwise and which have not been received by SMIL as on the date immediately preceding the Effective Date as the case may be, in relation to or in connection with the Automobile Seating Undertaking, shall also belong to and be received by NACL.

5.10. All assets, estate, rights, title, interest and authorities acquired by SMIL after the Appointed Date and prior to the Effective Date for operation of the Automobile Seating Undertaking shall also stand transferred to and vested in NACL upon the coming into effect of this Scheme.

5.11. Upon the coming into effect of this Scheme, all debts, duties, obligations and liabilities (including contingent liabilities) of SMIL relating to the Automobile Seating Undertaking shall without any further act, instrument or deed be and stand transferred to NACL and shall thereupon become the debts, duties, obligations and liabilities of NACL, which it undertakes to meet, discharge and satisfy to the exclusion of SMIL and to keep SMIL indemnified at all times from and against all such debts, duties, obligations and liabilities and from and against all actions, demands and proceedings in respect thereto. It shall not be necessary to obtain the consents of any third party or other person, who is a party to an act or arrangement by virtue of which such debts, obligations, duties and liabilities have arisen in order to give effect to the provisions of this clause.

including general and multipurpose borrowings, if any, dealt with in accordance with Section 2(19AA) of the IT Act, shall become and be deemed to be, the debts, liabilities, contingent liabilities, duties and obligations of NACL, without any further act, instrument or deed required by either SMIL or NACL. NACL undertakes to meet, discharge and satisfy the same to the exclusion of SMIL. It is hereby clarified that it shall not be necessary to obtain the consent of any third party or other person, who is a party to any contract or arrangement by virtue of which such debts, liabilities, duties and obligations have arisen in order to give effect to the provisions of this sub-clause. However, SMIL and NACL shall, if required, file appropriate forms with the ROC accompanied by the sanction order of the Court or a certified copy thereof and execute necessary deeds or documents in relation to creation/satisfaction/modification of charges to the satisfaction of the lenders, in relation to the assets being transferred to NACL as part of the Automobile Seating Undertaking and/or in relation to the assets remaining in SMIL after the demerger and vesting of Automobile Seating Undertaking in NACL pursuant to this Scheme becoming effective in accordance with the terms hereof. Where any of the loans, liabilities and obligations attributed to Automobile Seating Undertaking have been discharged by SMIL on behalf of NACL after the Appointed Date, such discharge shall be deemed to have been done by SMIL for and on behalf of NACL.

5.13. Subject to clause 5.12 above, from the Effective Date, NACL alone shall be liable to perform all obligations in respect of the liabilities of the Automobile Seating Undertaking as the borrower/issuer thereof, and SMIL shall not have any obligations in respect of the said liabilities.

5.14. Where any of the liabilities and obligations of SMIL as on the Appointed Date deemed to be transferred to NACL, have been discharged by SMIL after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of NACL and all liabilities and obligations incurred by SMIL for the operations of the Automobile Seating Undertaking after the Appointed Date and prior to the Effective Date shall be deemed to have been incurred for and on behalf of NACL and to the extent of their outstanding on the Effective Date, shall also without any further act or deed be and stand transferred to NACL and shall become the liabilities and obligations of NACL, which shall meet, discharge and satisfy the same.

the Effective Date shall be entirely borne by NACL. In the event that such liability is incurred by or such claim or demand is made upon SMIL, then NACL shall indemnify SMIL for any payments made in relation to the same

5.16. Subject to the other provisions of this Scheme, in so far as the assets of the Automobile Seating Undertaking are concerned, the security, pledge, existing charges and mortgages, over such assets, to the extent they relate to any loans or borrowings of the Remaining Business of SMIL shall, without any further act, instrument or deed be released and discharged from the same and shall no longer be available as security, pledge, charges and mortgages in relation to those liabilities of SMIL which are not transferred to NACL.

5.17. In so far as the assets of the Remaining Business of SMIL are concerned, the security, pledge, existing charges and mortgages over such assets, to the extent they relate to any loans or borrowings of the Automobile Seating Undertaking shall, without any further act, instrument or deed be released and discharged from such security, pledge, charges and mortgages. The absence of any formal amendment which may be required by a bank and/or financial institution in order to affect such release shall not affect the operation of this clause.

5.18. In so far as the existing security in respect of the loans and other liabilities relating to the Remaining Business of SMIL are concerned, such security shall, without any further act, instrument or deed be continued with SMIL only on the assets which are remaining with SMIL.

5.19. Without any prejudice to the provisions of the foregoing clauses and upon the Scheme being effective, SMIL, and NACL shall execute any instrument(s) and/or document(s) and/or do all the acts and deeds as may be required, including the filing of necessary particulars and/or modification(s) of charge, with the Registrar of Companies, Delhi and Haryana to give formal effect to the provisions of this clause and foregoing clauses, if required.

5.20. Upon the coming into effect of this Scheme, SMIL alone shall be liable to perform all obligations in respect of all debts, liabilities, duties and obligations pertaining to the Remaining Business of SMIL and NACL shall not have any obligations in respect of the Remaining Business of SMIL.

5.21. The foregoing provisions shall operate, notwithstanding anything to the contrary contained in any instrument, deed or writing or the terms of sanction or issue or any security documents, all of which instruments, deeds or writings shall stand modified and/or superseded by the foregoing provisions.

5.22. On and from the Effective Date, and thereafter, NACL shall be entitled to operate all bank accounts of SMIL, in relation to or in connection with the Automobile Seating Undertaking, and realize all monies and complete and enforce all pending contracts and transactions and to accept stock returns and issue credit notes in respect of SMIL, in relation to or in connection with the Automobile Seating Undertaking, in the name of NACL in so far as may be necessary until the transfer of rights and obligations of the Automobile Seating Undertaking to NACL under this Scheme have been formally given effect to under such contracts and transactions.

5.23. For avoidance of doubt and without prejudice to the generality of the applicable provisions of the Scheme, it is clarified that with effect from the Effective Date and till such time that the name of bank accounts of SMIL, in relation to or in connection with the Automobile Seating Undertaking, have been replaced with that of NACL, NACL shall be entitled to operate the bank accounts of SMIL, in relation to or in connection with the Automobile Seating Undertaking, in the name of SMIL in so far as may be necessary. All cheques and other negotiable instruments, payment orders received or presented for encashment, which are in the name of SMIL in relation to or in connection with the Automobile Seating Undertaking, after the Effective Date shall be accepted by the bankers of NACL and credited to the account of NACL, if presented by NACL. NACL shall be allowed to maintain bank accounts in the name of SMIL for such time as may be determined to be necessary by NACL for presentation and deposition of cheques and pay orders that have been issued in the name of SMIL, in relation to or in connection with the Automobile Seating Undertaking. It is hereby expressly clarified that any legal proceedings by or against SMIL, in relation to or in connection with the Automobile Seating Undertaking, in relation to the cheques and other negotiable instruments, payment orders received or presented for encashment, which are in the name of SMIL shall be instituted, or as the case may be, continued by or against NACL after the coming into effect of this Scheme.

5.24. It is clarified that in order to ensure the smooth transition and sales of products and inventory of SMIL, in relation to or in connection with the Automobile Seating Undertaking, manufactured and/or branded and/or labelled and/or packed in the name of SMIL prior to the Effective Date, NACL shall have the right to own, use, market, sell, exhaust or to in any manner deal with any such products and inventory (including packing material) pertaining to the Automobile Seating Undertaking at manufacturing locations or warehouses or retail stores or elsewhere, without making any modifications whatsoever to such products and/or their

branding, packing or labelling. All invoices/payment related documents pertaining to such products and inventory (including packing material) shall be raised in the name of NACL after the Effective Date.

5.25. A list of assets and liabilities of the Automobile Seating Undertaking known as on the Appointed Date is annexed as Schedule II.

6. LEGAL PROCEEDINGS

6.1. Upon the coming into effect of this Scheme, all legal or other proceedings (including before any statutory or quasi-judicial authority or tribunal) by or against SMIL, under any statute, whether pending on the Appointed Date, or which may be instituted any time in the future and in each relating to the Automobile Seating Undertaking shall be continued and enforced by or against NACL after the Effective Date. In the event that the legal proceedings referred to herein require SMIL and NACL to be jointly treated as parties thereto, NACL shall be added as a party to such proceedings and shall prosecute and defend such proceedings in co-operation with SMIL. In the event of any difference or difficulty in determining as to whether any specific legal or other proceedings relate to the Automobile Seating Undertaking or not, a decision jointly taken by the Board of Directors of SMIL and NACL in this regard, shall be conclusive evidence of the matter.

6.2. If proceedings are taken against SMIL in respect of the matters referred to in clause 6.1 above, it shall defend the same in accordance with the advice of NACL and at the cost of NACL, and the latter shall reimburse and indemnify SMIL against all the liabilities and obligations incurred by SMIL in respect thereof.

6.3. NACL shall have all legal or other proceedings initiated by or against SMIL with respect to the Automobile Seating Undertaking, transferred into its name and to have the same continued, prosecuted and enforced by or against NACL to the exclusion of SMIL.

7. CONTRACTS, DEEDS, ETC.

7.1. Upon the coming into effect of this Scheme and subject to the provisions of this Scheme, all contracts, deeds, bonds, agreements, schemes, arrangements and other instruments of whatsoever nature in relation to the Automobile Seating Undertaking to which SMIL is a party or to the benefit of which SMIL may be eligible, and which are subsisting or have effect immediately before the Effective Date, shall be in full force and effect by or against or in

favour of NACL, as the case may be, and may be enforced as fully and effectually as if, instead of SMIL, NACL had been a party or beneficiary or obligee thereto.

7.2. Notwithstanding the fact that vesting of the Automobile Seating Undertaking occurs by virtue of this Scheme itself, NACL may, at any time after the coming into effect of this Scheme, in accordance with the provisions hereof, if so required, take such actions and execute such deeds (including deeds of adherence), confirmations or other Writings with any party to any contract or arrangement to which SMIL is a party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. NACL will, if necessary, also be a party to the above. NACL shall, under the provisions of this Scheme, be deemed to be authorized to execute any such writings on behalf of SMIL and to carry out or perform all, such formalities or compliances referred to above on the part of SMIL to be carried out or performed.

7.3. Without prejudice to the aforesaid, it is clarified that if any assets (estate, claims, rights, title, interests in or authorities relating to such assets) or any contract, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in relation to the Automobile Seating Undertaking which SMIL own or to which SMIL is a party to, cannot be transferred to NACL for any reason whatsoever, SMIL shall hold such asset or contract, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in trust for the benefit of NACL, in so far as it is permissible so to do, till such time as the transfer is effected.

8. SAVING OF CONCLUDED TRANSACTIONS

8.1. The transfer and the vesting of the assets, liabilities and obligations of the Automobile Seating Undertaking under clause 5 hereof and the continuance of proceedings by or against NACL under clause 6 hereof shall not affect any transaction or proceedings already completed by SMIL on or after the Appointed Date, to the end and intent that NACL accepts all acts, deeds and things done and executed by and/or on behalf of SMIL as acts, deeds and things made, done and executed by and on behalf of NACL.

9. STAFF, EMPLOYEES & WORKMEN

9.1. Upon the coming into effect of this Scheme, all the employees relating to the Automobile Seating Undertaking that were employed by SMIL, immediately before the Effective Date, shall become the employees of NACL without any break or interruption of service and with

the benefit of continuity of service on terms and conditions which are not less favourable than the terms and conditions as were applicable to such employees relating to the Automobile Seating Undertaking of SMIL immediately prior to the demerger of the Automobile Seating Undertaking.

9.2. NACL agrees that the service of all employees pertaining to the Automobile Seating Undertaking with SMIL up to the Effective Date shall be taken into account for the purpose of all retirement benefits to which they may be eligible in SMIL up to the Effective Date. NACL further agrees that for the purpose of payment of any retrenchment compensation, gratuity or other terminal benefits, such past service with SMIL, shall also be taken into account and agrees and undertakes to pay the same as and when payable.

9.3. Upon the coming into effect of this Scheme, NACL shall make all the necessary contributions for such transferred employees relating to the Automobile Seating Undertaking, and deposit the same in provident fund, gratuity fund or superannuation fund or any other special fund or staff welfare scheme or any other special scheme. NACL will also file relevant intimations in respect of the Automobile Seating Undertaking to the statutory authorities concerned who shall take the same on record and substitute the name of NACL for SMIL.

9.4. In so far as the existing provident fund, gratuity fund and pension and /or superannuation fund/trusts, retirement funds or employees state insurance schemes or pension scheme or employee deposit linked insurance scheme or any other benefits, if any, created by SMIL for employees of the Automobile Seating Undertaking are concerned, such proportion of the funds, contributions to the funds or the scheme or the investments made into the funds relatable to the employees pertaining to the Automobile Seating Undertaking as on the Effective Date, who are being transferred along with the Automobile Seating Undertaking in terms of the Scheme, upon the coming into effect of this Scheme, shall be transferred to the aforesaid funds, schemes or trusts of NACL and till the time such necessary funds, schemes or trusts are created by NACL, all contribution shall continue to be made to the existing funds, schemes or trusts of SMIL.

shareholder has not provided the requisite details relating to his/her/its account with a depository participant or other confirmations as may be required or if the details furnished by any equity shareholder do not permit electronic credit of the shares of NACL, then NACL shall issue new equity shares of NACL in accordance with clauses 12.1 above, as the case may be, in physical form to such equity shareholder.

12.3. The new equity shares of NACL to be issued to the shareholders of SMIL in terms of this scheme, shall be subject to the provisions of the Memorandum of Association and Articles of Association of NACL and shall rank pari-passu, in all respects with the then existing equity shares in NACL in all respects including dividends.

12.4. Where the new equity shares of NACL are to be allotted, pursuant to this scheme, to heirs, executors or administrators or, as the case may be, to successors of deceased equity shareholders of SMIL, the concerned heirs, executors, administrators or successors shall be obliged to produce evidence of title satisfactory to the Board of Directors of NACL.

12.5. The new equity shares to be issued by NACL, pursuant to this scheme, in respect of any equity shares of SMIL, which are held in abeyance under the provisions of Section 126 of the Act or otherwise shall, pending allotment or settlement of dispute by order of court or otherwise, be held in abeyance by NACL.

12.6. The approval of this Scheme shall be deemed to be due compliance of the provisions of section 62 of the Act and other relevant and the Act and applicable provisions of the Act, for the issue and allotment of new equity shares by NACL to the shareholders, as provided in this Scheme.

12.7. In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholders of SMIL, the Board of Directors of SMIL shall be empowered in appropriate cases, prior to or even subsequent to the Record Date, to effectuate such a transfer in SMIL as if such changes in the registered holder were operative as on the Record Date, in order to remove any difficulties arising to SMIL or NACL of equity shares in NACL issued by NACL upon the coming into effect of this Scheme.

12.8. NACL shall, if and to the extent required to, apply for and/or intimate and/or obtain any approvals from the concerned regulatory authorities. NACL shall comply with the relevant and applicable rules and regulations including the provisions of Foreign Exchange Management Act, 1999, if any, to enable NACL to issue and allot new equity shares to the non-residents, if any.

12.9. The new equity shares to be issued by NACL, in terms of this Scheme, will be listed and/or admitted to trading on the BSE and NSE, where the equity shares of SMIL are listed and/or admitted to trading in terms of the provisions of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and other applicable regulations. NACL shall enter into such arrangements and give such confirmations and/or undertakings as may be necessary in accordance with the applicable laws or regulations for complying with the formalities of the aforesaid stock exchanges. On such formalities being fulfilled the said stock exchanges shall list and /or admit such new equity shares also for the purpose of trading. The new equity shares allotted by NACL, pursuant to this scheme, shall remain frozen in the depositories system till the listing/trading permission is given by the BSE and NSE.

12.10. There shall be no change in the shareholding pattern of NACL between the record date and the listing.

13. ACCOUNTING TREATMENT

Accounting treatment in the books of SMIL

On effectiveness of the Scheme and with effect from the Appointed Date, SMIL shall account for Demerger of the Automobile Seating Undertaking in its books of account in accordance with the Indian Accounting Standard (IND AS) prescribed under Section 133 of the Companies Act, 2013, as notified under the Companies (Indian Accounting Standard) Rules, 2015 and generally accepted accounting principles, as may be amended from time to time, as under:

13.1. All the Assets and the liabilities of the Automobile Seating Undertaking shall be reduced at their Book Value.

13.2. The difference between the book value of assets and book value of liabilities of the Automobile Seating Undertaking shall be adjusted first against the free reserves of SMIL.

13.3. Upon the Scheme being effective, the investment of SMIL in NACL shall stand cancelled. Upon cancellation, SMIL shall credit its investment in NACL, the value of investment held by SMIL in NACL, which stands cancelled and the same shall be debited to the current year Profit and Loss Account of SMIL.

13.4. If considered appropriate for compliance with Accounting Standards, SMIL may make suitable adjustment to the accounting treatment and adjust the effect thereof in the manner determined by the Board of Directors of SMIL.

Accounting treatment in the books of NACL

On effectiveness of the Scheme and with effect from the Appointed Date, since the transaction involves entities which are ultimately controlled by the same party before and after the transaction, the Resulting Company shall account for Demerger of the Demerged Undertaking in its books of account in accordance with Appendix C 'Business combinations of entities under common control' of the Indian Accounting Standard (IND AS) 103 for Business Combination prescribed under Section 133 of the Companies Act, 2013, as notified under the Companies (Indian Accounting Standard) Rules, 2015 and generally accepted accounting principles, as may be amended from time to time, as under:

13.5. NACL shall record the assets and liabilities of the Automobile Seating Undertaking vested in it pursuant to this Scheme at the respective Book Values thereof

13.6. NACL shall credit its share capital account with the aggregate face value of the new equity shares issued by it to the members of SMIL pursuant to Clause 12 of this Scheme.

13.7. In respect of cancellation of shares held by SMIL, NACL shall debit to its Equity Share Capital Account, the aggregate face value of existing equity shares held by SMIL in NACL with a corresponding credit to Capital Reserve of NACL.

13.8. The difference between clause 13.5 and clause 13.6 above shall be recorded as Capital Reserve.

13.9. If considered appropriate for the purpose of application of uniform accounting policies and method or for compliance with the applicable Accounting Standards, NACL may make suitable adjustment and adjust the effect thereof in the manner determined by the Board of Directors of NACL.

14. REDUCTION OF SHARE CAPITAL OF NACL

14.1. With the issue and allotment of the new equity shares by NACL to the equity shareholders of SMIL in accordance with clauses 12 of the Scheme, in the books of NACL, all the equity shares issued by NACL to SMIL and held by SMIL shall stand cancelled, extinguished and annulled on and from the Effective Date.

14.2. The cancellation, as aforesaid, which amounts to reduction of share capital of NACL, shall be effected as an integral part of this Scheme itself in accordance with the provisions of section 66 of the Act and the order of the Tribunal sanctioning the Scheme shall be deemed to be also the order under Section 66 of the Act for the purpose of confirming the reduction. reduction would not involve either a diminution of liability in respect of unpaid share capital or payment of paid-up share capital.

14.3. Notwithstanding the reduction as mentioned above, NACL shall not be required to add "and reduced" as suffix to its name and NACL shall continue in its existing name.

15. REMAINING BUSINESS TO CONTINUE WITH SMIL

15.1 The Remaining Business and all the assets, liabilities and obligations pertaining thereto shall continue to belong to and be vested in and be managed by SMIL subject to the provisions of the Scheme.

15.2 All legal or other proceedings by or against SMIL under any statute, whether pending on the Appointed Date or which may be instituted in future whether or not in respect of any matter arising before the Effective Date and relating to the Remaining Business(including those relating to any property, right, power, liability, obligation or duties of SMIL in respect of the Remaining Business) shall be continued and enforced by or against SMIL. NACL shall in no event be responsible or liable in relation to any such legal or other proceedings by or against SMIL.

15.3 With effect from the Appointed Date and up to and including the Effective Date:

a) SMIL shall carry on and shall be deemed to have been carrying on all business and activities relating to the Remaining Business for and on its own behalf;

b) all profits and income accruing or arising to SMIL, and any cost, charges, losses and expenditure arising or incurred by it (including taxes, if any, accruing or paid in relation to any profits or income) relating to the Remaining Business shall, for all purposes, be treated as and be deemed to be the profits income, losses or expenditure, as the case may be, of SMIL; and

c) all employees relatable to the Remaining Business shall continue to be employed by SMIL and NACL shall not in any event be liable or responsible for any claims whatsoever regarding such employees.

ANNEXURE B

March 25, 2019

To,

The Board of Directors
Sharda Motor Industries Limited
D-188, Okhla Industrial Area,
Phase-I, New Delhi - 110020

Sub.: Report on share entitlement ratio for the proposed Scheme of Arrangement between Sharda Motor Industries Limited, NDR Auto Components Limited and their respective shareholders and creditors

Dear Sir / Madam,

We refer to the engagement letter dated February 27, 2019 with Sharda Motor Industries Limited (referred to as "SMIL" / "Demerged Company") to report on reasonableness of share entitlement ratio for the proposed demerger of Automobile Seating Undertaking of SMIL into NDR Auto Components Limited ("NACL" / "Resulting Company"), as a part of Scheme of Arrangement with effect from Appointed date, December 31, 2018 (end of day).

Share entitlement ratio is the number of shares of NACL, that a shareholder of SMIL would be entitled to in proportion to the existing shareholding in SMIL. The definition of Demerged Undertaking as per the draft Scheme provided to us is placed in Annexure I.

SCOPE AND PURPOSE OF ENGAGEMENT

This transaction is proposed under a Scheme of Arrangement under Section 230-232 and other applicable provisions of the Companies Act, 2013, as may be applicable read with Section 66 of the Companies Act, 2013 (the "Scheme"). As per the Scheme, NACL will issue its shares to the shareholders of SMIL as a consideration for the demerger.

This report is subject to the scope limitations, exclusions and disclaimers detailed hereinafter. As such the report is to read in totality and not in parts, in conjunction with the relevant documents referred to therein.

BACKGROUND

Sharda Motor Industries Limited / Demerged Company is a public limited company incorporated under the provisions of Companies Act, 1956 on January 29, 1986 bearing Corporate Identification Number L74899DL1986PLC023202. The registered office of SMIL is situated at D-188, Okhla Industrial Area, Phase-I, New Delhi - 110020. The paid up share capital of SMIL as on March 25, 2019 consisted 59,46,326 Equity Shares of face value Rs. 10/- each.The equity shares of SMIL are listed on Bombay Stock Exchange Limited ("BSE") &National Stock Exchange of India Limited ("NSE"). SMIL has the following business undertakings:

(a) Suspension, Exhaust and Silencer, White goods i.e. Air conditioner, Canopy & components thereof Undertaking (Other than Automobile Seating Undertaking) engaged in manufacturing of suspension, exhaust and silencer, white goods; and

(b) Automobile Seating Undertaking engaged in manufacturing of automobile seating.

NDR Auto Components Limited / Resulting Company is a public limited company incorporated under the provisions of Companies Act, 2013 on March 19, 2019 bearing Corporate Identification Number U29304DL2019PLC347460. The registered office of NACL is situated at D-188, Okhla Industrial Area, Phase-I, New Delhi - 110020.The paid up share capital of NACL consist of 10,000 equity shares of face value Rs. 10/- each.The equity shares of NACL are currently not listed on any stock exchange. NACL is a wholly owned subsidiary of SMIL.

As per the draft scheme and discussions with the management of SMIL, we understand that upon demerger, transfer and vesting of Demerged Undertaking in NACL, shares of NACL will be issued to the shareholders of SMIL such that NACL and SMIL will have mirror shareholding upon issue of shares.

SOURCES OF INFORMATION

For the purpose of this exercise, we have,

- Considered the unaudited carved out financials of Demerged Undertaking as on December 31, 2018
- Considered the draft scheme of Arrangement ("Draft Scheme")
- Considered the existing shareholding pattern of SMIL and NACL
- Relied on the representations of Management
- Carried out such other analysis, reviews and inquires as we considered necessary.

SCOPE LIMITATIONS, EXCLUSIONS AND DISCLAIMERS

We have relied upon the information, data and explanations given to us by the Management of SMIL for the purposes of concluding on the reasonableness of Share Entitlement ratio in connection with the proposed demerger. We have not carried out a due diligence or audit of Demerged Undertaking or SMIL nor have we independently investigated or otherwise verified the data provided. We do not express any form of assurance that the financial information or other information as provided by the Management is accurate.

Our conclusions assumes that Demerged Undertaking, SMIL and NACL comply fully with the relevant laws and regulations applicable in all its areas of operations unless otherwise stated, and that demerged undertaking are being managed in a competent and reasonable manner. Further, except as specifically stated to the contrary, this report has given no consideration to matters of legal nature, including issues of legal title and compliance with local laws, and litigation and other cont ingent liabilities that are not recorded in audited carved out balance sheet of Demerged

Undertaking. Our conclusion on reasonableness of share entitlement ratio assumes that the assets and liabilities of Demerged Undertaking remain intact as of date of forming such opinion on Share Entitlement Ratio.

This Share Entitlement Ratio is essentially based on the information provided by the Management for which SMIL accepts full responsibility. Our review and analysis have been limited to the above mentioned procedures and our analysis is subject to this limitation. Our reliance and use of this information provided by SMIL or the management should not be construed as expression of our opinion on it and we do not and will not accept any responsibility or liability for any inaccuracy in it.

The exercise of valuation is not a precise science and the conclusions arrived at in many cases will be subjective and dependent on the exercise of individual judgment. There is, therefore, no indisputable single share entitlement ratio. While we have concluded on the reasonableness of the share entitlement ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion as of the same.

SHARE ENTITLEMENT RATIO

As of the Report date the issued and subscribed paid up capital of SMIL consists of 59,46,326 Equity Shares of face value Rs. 10/- each.

We understand from the Management of SMIL that NACL will be the wholly owned subsidiary of SMIL and it purposes to engage in Automobile seating business (currently, the Company has no commercial business activities).

As per the draft scheme provided to us and information provided by the Management of SMIL, we understand that the 10,000 (Ten Thousand) equity shares of the Resulting Company of Rs. 10/- each held by the Demerged Company comprising of 100% of the total issued and paid-up capital of the Resulting Company as on Effective date of the Scheme shall stand cancelled, without any further act or deed on part of the Resulting Company and the same shall be adjusted against the Capital reserve account of the Resulting Company. (Refer to Share Cancellation Clauses as per the Draft Scheme provided to us in Annexure I)

We understand that in consideration of the demerger of Demerged Undertakings, the Management proposes to issue:

"for every 1 equity share of face value of INR 10/- (Rupees Ten only) each held in SMIL as on the Record Date, the equity shareholders of SMIL shall be issued 1 equity share of face value INR 10/- (Rupees Ten only) each credited as fully paid-up in NACL"

Based on the aforementioned and that upon demerger, the set of shareholders and holding proportion being proposed for NACL is identical to that of SMIL, the beneficial economic interest of SMIL shareholders in NACL will remain same at the time of demerger.

We believe that the abovementioned share entitlement ratio is fair and reasonable considering that all the shareholders of SMIL are and will, upon demerger, be the ultimate beneficial owners of the Resulting Company and in the same ratio as they hold shares in SMIL, as on record date to be decided by the management of SMIL.

Our report and share entitlement ratio is based on the current equity share capital structure of the Companies and proposed cancellation of existing share capital of SMIL. Any variation in the equity capital structure of the companies apart from the above mentioned prior to the Scheme of Arrangement becomes effective may have an impact on share entitlement ratio.

b. Automobile Seating Undertaking engaged in manufacturing of automobile seating.

NDR Auto Components Limited ("NACL" or the "Resulting Company") is a public limited company incorporated under the provisions of Companies Act, 2013 on March 19, 2019 bearing Corporate Identification NumberU29304DL2019PLC347460. The registered office of NACL is situated at D-188, Okhla Industrial Area, Phase-1, Delhi-110020. The correspondence email address of NACL is ndr_auto_components@outlook.com. The equity shares of NACL are not currently listed on any stock exchange.

SMIL is the holding company of NACL. As on the date of filing of the Scheme, SMIL along with its nominees holds 100% equity share capital of NACL.

The Securities and Exchange Board of India vide its circular no. CFD/DIL3/CIR/2017/21 dated March 10, 2017 ("SEBI Circular") has, amongst other requirements, sought a report from the Audit Committee of the listed companies recommending the Scheme.

The Company placed before the Audit Committee, the draft Scheme of Arrangement between Sharda Motor Industries Limited and NDR Auto Components Limited and their respective Shareholders and Creditors under the provisions of Section 230 to 232 of the Companies Act, 2013 read with section 66 of the Companies Act, 2013, and other relevant provisions of the Companies Act, 2013, as applicable, pursuant to above SEBI Circular.

This report of the Audit Committee is prepared in order to comply with the requirements of the SEBI Circular after considering the draft Scheme and the following documents, as placed before it:

a. Share entitlement report dated *25th March,2019*, received from *Mr. Rajesh Mittal*, an independent chartered accountant, setting out the recommended share exchange ratio (the **Share Entitlement Report**);
b. Fairness opinion dated *25th March,2019*, received from M/s. *Sundae Capital Advisors Private Limited*, a SEBI registered merchant banker (the **Fairness Opinion**); and
c. A draft certificate from the statutory auditor of the Company, *M/s. Gupta Vigg & Co*, Chartered Accountants, confirming that the Scheme is in compliance with applicable

SHARDA MOTOR INDUSTRIES LTD. NEW DELHI

accounting treatment notified under the Companies Act, 2013 and other generally accepted accounting principles (the **Auditor's Certificate**).

The Valuation Report as per the SEBI Circular is not required in cases where there is no change in the shareholding pattern of the listed entity / resultant company. For the purpose of the SEBI Circular, 'change in the shareholding pattern' shall mean:

i. change in the proportion of shareholding of any of the existing shareholders of the listed entity in the resultant company; or
ii. new shareholder being allotted equity shares of the resultant company; or
iii. existing shareholder exiting the company pursuant to the Scheme of Arrangement.

The Audit Committee took a note of the fact that the valuation report in this case is not applicable as there is no change in the shareholding pattern of the listed entity. Further, all the existing shareholders of SMIL shall be issued shares in the same proportion in NACL.

Proposed Scheme of Arrangement

The Audit Committee reviewed the draft Scheme, share entitlement report and fairness opinion and noted that the Scheme would, inter alia, result in the following benefits:

1. The Automobile Seating Undertaking carried on by SMIL has significant potential for growth. The nature of risk, competition, challenges, opportunities and business methods for the Automobile Seating Undertaking is separate and distinct from the other business of the Company. The Automobile Seating Undertaking would become capable of attracting a different set of investors, strategic partners, lenders and other stakeholders and would further enhance the shareholders wealth.
2. The management teams and Board of Directors of SMIL and NACL would be able to chart out independent strategies of their respective businesses to maximize value creation for their respective stakeholders. Demerger shall enhance focus of management on the operations of the Automobile Seating Undertaking by NACL and Suspension, Exhaust, Silencer, Canopy and White goods Undertaking by SMIL.
3. As part of the Resulting Company, the Automobile Seating business shall be amenable to benchmarking, and be in a position to attract the right set of investors, strategic partners, employees and other relevant stakeholders.

4. The demerger will permit increased focus by SMIL and NACL on their respective businesses in order to better meet their respective customers' needs and priorities, develop their own network of alliances and talent models that are critical to success.

Salient features of the Scheme

The Scheme provides for demerger of Automobile Seating Undertaking (as defined in the scheme) of SMIL into NACL to segregate the said business under section 230 to 232 of the Companies Act, 2013. The Appointed Date for the arrangement shall be December 31, 2018 (end of day) and it will become effective on the Effective Date (as defined in the draft Scheme)

Upon the Scheme being effective, the existing shareholding of SMIL in NACL shall stand cancelled. The consideration for the demerger shall be in the form of shares of NACL which shall be issued to the shareholders of SMIL as per the Share entitlement Report:-

"for every 1(One) equity share of face value of Rs.10/- (Rupees Ten only) each held in SMIL as on the Record Date, the equity shareholders of SMIL shall be issued 1(One) equity share of face value Rs. 10/- (Rupees Ten only) each credited as fully paid-up in NACL";

Upon the proposed demerger becoming effective, all assets, liabilities, businesses, activities and operations of SMIL pertaining to the Automobile Seating business shall stand transferred to NACL. The investments held by SMIL in NACL shall stand cancelled pursuant to the Scheme. The cancellation, as aforesaid, which amounts to reduction of share capital of NACL, shall be effected as an integral part of this Scheme itself in accordance with the provisions of section 66 of the Act and the order of the Tribunal sanctioning the Scheme shall be deemed to be also the order under Section 66 of the Act for the purpose of confirming the reduction. The reduction would not involve either a diminution of liability in respect of unpaid share capital or payment of paid-up share capital.

The Audit Committee reviewed the Share entitlement report and the Fairness Opinion and noted the recommendations made therein. The Audit Committee also noted the Auditor's Certificate, on the accounting treatment, prescribed in the draft Scheme, as required under the SEBI Circular.

SHARDA MOTOR INDUSTRIES LTD. NEW DELHI

Recommendation

After consideration of the Scheme and other documents placed before it, the members of the Audit Committee formed an opinion that the implementation of the Scheme is in the best interest of the Company and its Shareholders, Creditors and Stakeholders.

The Audit Committee hereby approves and recommends the Scheme and share exchange ratio for favorable consideration by the Board of Directors, Stock Exchange(s), Securities and Exchange Board of India and other appropriate authorities.

Sub.: Fairness opinion towards the valuation for the proposed Scheme of Arrangement between Sharda Motor Industries Limited,NDR Auto Components Limitedand their respective shareholders and creditors

Dear Sir / Madam,

We, Sundae Capital Advisors Private Limited (referred to as "Sundae" or "We"), refer to the engagement letter dated February 27, 2019 with Sharda Motor Industries Limited (referred to as "SMIL" / "Demerged Company"), wherein we have been requested to provide an opinion on the captioned subject on the basis of the Share Entitlement Report dated March 25, 2019 issued by Rajesh Mittal, Registered Valuer (IBBI Reg. No. IBBI/RV/03/2018/10074) (referred to as "Valuer").

SCOPE AND PURPOSE OF THIS REPORT

The equity shares of Sharda Motor Industries Limited are listed on National Stock Exchange of India Limited ("NSE") and BSE Limited (BSE"). The Company in its Board Meeting held on February 25, 2019, in-principally agreed to the proposed demerger of the Automotive Seating Business. The said demerger is proposed to be implemented by undertaking a Scheme of Arrangement between Sharda Motor Industries Limited (referred to as "Demerged Company") and NDR Auto Components Limited("NACL" or "Resulting Company") and their respective shareholders and creditors (the "Scheme of Arrangement").

This Fairness Report is being issued in accordance with the SEBI Circular No. CFD/DIL3/CIR/2017/21 dated March 10, 2017, as amended from time to time, on the valuation of the proposed Scheme of Arrangement. This certificate has been issued for the sole purpose to facilitate the companies to comply with Regulation 37 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and it shall not be valid for any other purpose.

SUMMARY OF PROPOSED TRANSACTION

The management of SMIL has decided on restructuring the business of the Company by way of a Scheme of Arrangement whereby the Automobile Seating Undertaking of SMIL will be demerged into NACL as a going concern with effect from the Appointed Date. The transaction is proposed under the Scheme of Arrangement under section 230-232 and other applicable provisions of Companies Act, 2013 read with Section 66 of the Companies Act, 2013.

Pursuant to the Scheme, NACL will issue its equity shares to the shareholders of SMIL as a consideration to transfer the Automobile Seating Undertaking of SMIL engaged in manufacturing of automobile seating. Further, the investment of SMIL in NACL shall stand cancelled.

As presented by Management, The transfer and vesting by way of a demerger shall achieve the following benefits for SMIL and NACL:

(A) The Automobile Seating Undertaking carried on by SMIL has significant potential for growth. The nature of risk, competition, challenges, opportunities and business methods for the Automobile Seating Undertaking is separate and distinct from the other business of the Company. The

Automobile Seating Undertaking would become capable of attracting a different set of investors, strategic partners, lenders and other stakeholders and would further enhance the shareholders wealth

(B) The management teams and Board of Directors of SMIL and NACL would be able to chart out independent strategies of their respective businesses to maximize value creation for their respective stakeholders. Demerger shall enhance focus of management on the operations of the Automobile Seating Undertaking by NACL and Suspension, Exhaust and Silencer, White goods Undertaking (Other than Automobile Seating Undertaking)by SMIL.

(C) As part of the Resulting Company, the Automobile Seating business shall be amenable to benchmarking, and be in a position to attract the right set of investors, strategic partners, employees and other relevant stakeholders.

(D) The demerger will permit increased focus by SMIL and NACL on their respective businesses in order to better meet their respective customers' needs and priorities, develop their own network of alliances and talent models that are critical to success.

SOURCES OF INFORMATION AND REPRESENTATIONS

For the purpose of forming our opinion on the Share Entitlement Report, we have relied on the discussions with the Management of SMIL and the following information and documents made available to us:

- Valuation Report dated March 25, 2019 by Rajesh Mittal, Registered Valuer;
- Memorandum and Articles of Association of the Demerged Company and Resulting Company;
- Audited Financial Statements of the Demerged Company for the Financial Years ended on March 31, 2018, 2017 and 2016 and limited reviewed financial statements for the nine months period ended December 31, 2018;
- Unaudited carved out financials of Demerged Undertaking as on December 31, 2018,
- Draft Scheme of Arrangement for the proposed transaction.
- Other information as available in public domain.

We have obtained explanations and information considered reasonably necessary for our exercise, from the executives and representatives of SMIL. Our analysis considers those facts and circumstances present at the Demerged Company and Resulting Company at the date of this Fairness Opinion. Our opinion would most likely to be different if another date was used.

EXCLUSIONS AND LIMITATIONS

We have assumed and relied upon, without independent verification, the accuracy and completeness of all information that was publicly available or provided or otherwise made available to us by SMIL for the purpose of this opinion. With respect to the estimated financials, if any, provided to us by the management, we have assumed that such financials were prepared in good faith and reflect the best currently available estimates and judgments by the management of SMIL. We express no opinion and accordingly accept no responsibility with respect to or for such estimated financials or the assumptions on which they were based. Our work does not constitute an audit or certification or due diligence of the working results, financial statements, financial estimates or estimates of value to be realized for the assets of the Demerged Company or the Resulting company. We have solely relied upon the information provided to us by the management. We have not reviewed any books or records of the Demerged Company or the Resulting company (other than

those provided or made available to us). We have not assumed any obligation to conduct, nor have we conducted any physical inspection or title verification of the properties or facilities of the Demerged Company or the Resulting Company and neither express any opinion with respect thereto nor accept any responsibility therefore. We have not made any independent valuation or appraisal of the assets or liabilities of the Demerged Company or the Resulting Company. We have not reviewed any internal management information statements or any non-public reports, and, instead, with your consent we have relied upon information which was publicly available or provided or otherwise made available to us by the Demerged Company or the Resulting Company for the purpose of this opinion. We are not experts in the evaluation of litigation or other actual or threaten claims and hence have not commented on the effect of such litigation or claims on the valuation. We are not legal, tax, regulatory or actuarial advisors. We are financial advisors only and have relied upon, without independent verification, the assessment of the Demerged Company or the Resulting Company with respect to these matters. In addition, we have assumed that the Proposed Scheme of Arrangement will be approved by the regulatory authorities and that the proposed transaction will be consummated substantially in accordance with the terms set forth in the Proposed Scheme of Arrangement.

We understand that the managements of the Demerged Company or ResultingCompany during our discussion with them would have drawn our attention to all such information and matters which may have an impact on our analysis and opinion. We have assumed that in the course of obtaining necessary regulatory or other consents or approvals for the Proposed Scheme of Arrangement, no restrictions will be imposed that will have a material adverse effect on the benefits of the transaction that the Demerged Company or the Resulting company may have contemplated. Our opinion is necessarily based on financial, economic, market and other conditions as they currently exist and on the information made available to us as of the date hereof. It should be understood that although subsequent developments may affect this opinion, we do not have any obligation to update, revise or reaffirm this opinion. In arriving at our opinion, we are not authorized to solicit, and did not solicit, interests for any party with respect to the acquisition, business combination or other extra-ordinary transaction involving the Demerged Company or the Resulting company or any of its assets, nor did we negotiate with any other party in this regard.

We have acted as a financial advisor to the Demerged Company or the Resulting company for providing a fairness opinion on the proposed transaction and will receive professional fees for our services. In the ordinary course of business, Sundae is engaged in merchant banking business including corporate advisory, re-structuring, valuations, etc. We may be providing various other unrelated independent professional advisory services to the Demerged Company or the Resulting company in the ordinary course of our business.

It is understood that this letter is solely for the benefit of and use by the Board of Directors of the Demerged Company or the Resulting company for the purpose of this transaction and may not be relied upon by any other person and may not be used or disclosed for any other purpose without our prior written consent. The opinion is not meant for meeting any other regulatory or disclosure requirements, save and except as specified above, under any Indian or foreign law. Statute, Act, guideline or similar instruction. Management should not make this report available to any party, including any regulatory or compliance authority/agency except as mentioned above. The letter is only intended for the aforementioned specific purpose and if it is used for any other purpose; we will not be liable for any consequences thereof.

We express no opinion whatever and make no recommendation at all as to the Demerged Company or the Resulting company underlying decision to effect to the proposed transaction or as to how the holders of equity shares or preference shares or secured or unsecured creditors of the Demerged Company or the Resulting company should vote at their respective meetings held in connection with the transaction. We do not express and should not be deemed to have expressed any views on any other terms of transaction. We also express no opinion and accordingly accept no responsibility for or as to the prices at which the equity shares of the Demerged Company or Resulting Company will trade following the announcement of the transaction or as to the financial performance of the Demerged Company or the Resulting Company following the consummation of the transaction.

In no circumstances however, will Sundae or its associates, directors or employees accept any responsibility or liability to any third party. Our liability (statutory or otherwise) for any economic loss or damage arising out of the rendering this opinion shall be limited to amount of fees received for rendering this Opinion as per our engagement with the Demerged Company.

OUR OPINION

With reference to above and based on information and explanation provided by the management representative of Demerged Company and after analyzing the Draft Scheme of Arrangement, we understand that since Resulting Company is wholly owned subsidiary of Demerged Company, the set of shareholders and holding proportion being proposed for NACL is identical to SMIL, the beneficial economic interest of SMIL shareholders in NACL will remain same at the time of demerger. Hence, the Valuer has recommended as under:

"for every 1 (One) equity share of face value of INR10/- (Rupees Ten only) each held in SMIL as on the Record Date, the equity shareholders of SMIL shall be issued 1 equity share of face value INR10/- (Rupees Ten only) each credited as fully paid-up in NACL."

Based on the information, data made available to us, including the Share Entitlement Report of Rajesh Mittal, Registered Valuer, to the best of our knowledge and belief, the entitlement ratio arrived at by Rajesh Mittal, Registered Valuer under the Draft Scheme of Arrangement, in our opinion, is fair considering that all the shareholders of SMIL are and will upon demerger, be the ultimate beneficial owners of the Resulting Company and in the same ratio (inter se) as they hold shares in SMIL, as on record date to be decided by the Management of SMIL

The aforesaid Scheme of Arrangement shall be subject to the receipt of approvals from NCLT and other statutory authorities as may be required. The detailed terms and conditions are more fully set forth in the Draft Scheme of Arrangement. Sundae has issued this Fairness Opinion with the understanding the Draft Scheme of Arrangement shall not be materially altered and the parties hereto agree that the Fairness Opinion shall not stand good in case the final Scheme of Arrangement alters the transaction.

Managing Director's Message

AJAY RELAN

Dear Valued Shareholders,

Fiscal year 2017-18 has been a year of positive sentiments for the Indian economy which can be clearly measured from the economic perspective of implementation of Goods and Service Tax Law and its streamlining. The Gross Domestic Product (GDP) remains at 7.0% i.e. highest among other countries, making it fastest growing economy in the world.

Indian automotive industry ("Industry") has registered over 12 Per Cent Growth for FY 2018, achieving a milestone, apart from passing through a challenging phase of transformation from BS-IV to BS-VI emission norms. Further the Company is also keeping a track on the advancement on Government's policy towards the electric vehicle, which demands more clarities over certain issues.

Your Company is walking on the footprints of Shri N.D. Relan, who left for his heavenly abode on 2nd June, 2016, with his vision and inspiration of trust, determination and excellence, the Company has shown a committed future growth of approx 51% in profits before tax in line with the highest level of integrity and nurturing long term relationships with all the stakeholders.

It has always been the focus of the management of the Company to increase the shareholder's wealth with every passing year while being a socially responsible citizen. In the coming fiscal year we look ahead to excel in the product quality area with increased focus on research & development.

Finally, on behalf of all the directors and management of the Company, I would like to take this opportunity to thank our dedicated and motivated employees who are the greatest asset of the Company and who have with their passion, hard work and commitment taken it to this level. I would also thank all our customers, suppliers, bankers and stakeholders for reposing their confidence and faith in the Company.

11. The Notice of the AGM along with the Annual Report 2017-18 is being sent by electronic mode to those members whose e-mail addresses are registered with the Company/Depositories, unless any member has requested for a physical copy of the same. For members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode. Annual Report and Notice is also available on Company's website www.shardamotor.com

12. To support the 'Green Initiative', the Members who have not registered their e-mail addresses are requested to register the same with Alankit Assignments Limited/Depositories.

13. Members can avail of the nomination facility by filing form SH-13, as prescribed under section 72 of the Companies Act, 2013 and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, with the Company/RTA.

14. In compliance with the provisions of Section 108 of the Act and the rules framed thereunder, Secretarial Standard-2 and Listing Regulations, Company is pleased to provide facility of remote e-voting to all its members to enable them to cast their votes on all resolutions set forth in this notice electronically. Remote e-voting is optional and not mandatory. The Company has engaged the services of Central Depository Services (India) Limited ("CDSL") for the purpose of providing remote e-voting facility to all its Members.

The instructions for e-voting are as under:

(A) In case of members receiving e-mail:

(i) The shareholders should log on to the e-voting website www.evotingindia.com.

(ii) Click on Shareholders.

(iii) Now Enter your User ID (For CDSL: 16 digits beneficiary ID, For NSDL: 8 Character DP ID followed by 8 Digits Client ID, Members holding shares in physical form should enter Folio Number registered with the Company)

(iv) Enter the Image Verification as displayed and Click on Login.

(v) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used. If you are a first time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form

PAN	Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) • Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field. Sequence number is printed on Attendance Slip. • In case the sequence number is less than 8 digits, enter the applicable number of zeros (0s) before the number after the first two characters of the name in CAPITAL letters. E.g. if your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iii).

(vi) After entering these details appropriately, click on "SUBMIT" tab.

(vii) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(viii) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(ix) Click on the EVSN for the relevant <Company Name> on which you choose to vote.

(x) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xi) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

(xii) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

(xiii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.

(xiv) You can also take a print of the voting done by you by clicking on "Click here to print" option on the Voting page.

(xv) If a demat account holder has forgotten the changed password then enter the User ID and the image verification code and click on Forgot Password and enter the details as prompted by the system.

(xvi) Shareholders can cast their vote using CDSL's mobile app m-voting available for android based mobiles. The m-voting app can be downloaded from Google play store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.

(xvii) Note for Non-Individual Shareholders and Custodians:

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

(B) In case of members receiving the physical copy:

Please follow all steps from sl. no. (i) to (xvii) above to cast vote.

(C) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.

(D) The Remote e-voting period will commence on Monday, 24th September, 2018 (09:00 a.m. IST) and ends on Wednesday, 26th September, 2018 (05:00 p.m. IST). During this period, members of the Company holding shares either in physical form or in dematerialized form, as on Cut-Off date i.e. 20thSeptember, 2018, (the "Cut-Off Date") may cast their vote electronically, and the e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is casted by the Member, he shall not be allowed to change it subsequently.

15. A person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on Thursday, 20th September, 2018 (the "Cut-Off Date") shall only be entitled to vote through remote e-voting and at the AGM. The voting rights of members shall be in proportion to their share of the paid-up equity share capital of the Company as on the Cut-Off date. A person who is not a member as on the Cut-Off date should treat this notice for information purpose only.

16. At the venue of the AGM, voting shall be done through ballot papers ("Polling Paper") and the members attending AGM who have not casted their vote by Remote E-voting shall be entitled to cast their vote through Ballot Paper.

17. A Member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the venue of the AGM. If a member casts votes through remote e-voting and also at the AGM, then voting done through remote e-voting shall prevail and voting done at the AGM shall be treated as invalid.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Investors are cautioned that statements in this management discussion and analysis describing your company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect your Company's operations include a downtrend in the automobile industry global or domestic or both, significant changes in political and economic environment in India or key markets abroad, tax laws, litigation, labour relation and interest costs.

A. INDUSTRY STRUCTURE, DEVELOPMENTS AND OUTLOOK

According to a Society of Indian Automobile Manufacturers ("SIAM"), the Indian automotive industry is set to further improve its performance in FY2018-19, compared to FY18. The industry forecasts the sales growth of passenger vehicles in FY19 at 8-10 per cent, with utility vehicles growing at 14-15 per cent and cars up between 8-9 per cent in the domestic market. Considering the increasing content per vehicle due to various technological advancement as well as regulatory measures (emission, safety regulations), the growth in the auto component industry will be relatively higher than the underlying growth in the automotive industry in the medium to long term. The revenue growth of auto ancillaries is expected to be at 11-13% for FY2019, given healthy growth expected across key automotive sub-segments. It would maintain 10-12% long term (5 year) CAGR as expected out of Indian auto component industry. India is expected to become the 4th largest automobiles producer globally by 2020 after China, US & Japan. The auto components industry is also expected to become the 3rd largest in the world by 2025. Automotive Component Manufacturers Association of India (ACMA), strongly believes that the Indian auto-components industry is expected to register a turnover of US$ 100 billion by 2020 backed by strong exports ranging between US$ 80- US$ 100 billion by 2026, from the current US$ 11.2 billion.

B. OPPORTUNITIES & THREATS

OPPORTUNITIES

It is worth to notice that despite fears and threats, the investment made by private equity investors in the automobile component sector has increased 6 to 7 per cent between January-May 2017, as per the latest report by Department of Industrial Policy and Promotion. Beyond this, the industry has witnessed $254.8 million or mergers and acquisition deals in the same period. In a hugely populated country like India, a complete green revolution seems less pragmatic and dual-fuel technology is the most viable option. Hence, statistics as well as the economic scenario of the country, reveal that there are enough growth opportunities available in the market. Although, the entrepreneurs in the industry are a bit concerned but they are ready to come up with plans to exploit future opportunities. As the recent report by Automotive Component Manufacturers Association of India (ACMA) informs that the Indian auto components industry is quite close to a turnover of $100 billion by 2020 because of improved exports, which is expected to reach almost $100 billion by 2026, nearly 10-times higher than the current export value . The rapidly globalizing world is opening up newer avenues for the transportation industry, especially while it makes a shift towards electric, electronic and hybrid cars, which are deemed more efficient, safe and reliable modes of transportation. Over the next decade, this will lead to newer verticals and opportunities for auto-component manufacturers, who would need to adapt to the changes via systematic research and development.

THREATS

There is a direct relationship between the economic growth of the country and the performance of its major industries, including the automobile sector, which is also responsible for the allied sectors, especially auto component that is the most prominent among them. The auto components industry of India is 20 times bigger employer than original equipment manufacturers (OEMs), and its share in the country's annual GDP is almost 7 per cent. These facts are enough to explain that how significant are the industries in the overall growth of the economy, but changing industry dynamics are scaring the leaders of this industry. Auto component manufacturers are afraid of the government's plans for electric vehicles, and it seems this transition may affect with the future goals of the industry. Usually, an internal combustion engine (ICE) of most of the cars works on more than 2,000 moving parts, but the engine of an electric vehicle doesn't require more than 20 similar parts / components.

C. SEGMENT-WISE / PRODUCT-WISE PERFORMANCE

The company is operating under signal segment since Company's primary business segment involves manufacturing and trading of auto component parts.

D. RISKS AND CONCERNS

The risks and concerns of the Indian auto component industry are closely linked with stiff overseas competition, uncertainty arising from currency volatility, low-priced imports, counterfeit parts and oil pricing. The industry efforts to mitigate the above risks along with policy measures of the government would determine the impact of the above risks on the industry going forward.

Operational risks like shortage of power which leads to increase in cost of production and change in technology which makes existing technology obsolete, rupees depression at the time of import are major concern for the business. In addition to this, demand of auto component sector is dependent on the automobile sector which makes the market uncertain at times. Constantly

changing regulatory environment always carries with it the risk of high taxes or duties which may increase cost to the company and also competition from foreign substitutes.

Apart from this, company also face foreign exchange risk, fluctuation in the price of raw material, excess capacity, entry of foreign players in the domestic market, high market share of unorganized sector etc.

To counter these risks, the Company has in place adequate risk measures and control systems which identify the risks, assess their severity, their potential effect on the performance of the Company through systematic reports and charts. Reports generated from the system are monitored regularly to ensure that appropriate corrective actions are taken. Management of your company is continuously analyzing and evaluating various risks associated with the Company's business and has adopted risk management practices to minimize the adverse impact of these risks.

E. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has a comprehensive system of internal control to safeguard the Company's assets against any loss from unauthorized use and ensure proper authorization of financial transactions. The Company has internal control systems commensurate with the size and nature of the business and has experienced personnel positioned adequately in the organization to ensure internal control processes and compliances. The Company takes abundant care in designing, reviewing and monitoring regularly the working of inter control systems and their compliances for all important financial internal control processes.

The Audit findings are reported on quarterly basis to the Audit Committee of the Board headed by a Non-executive Independent Director. The Company has robust ERP systems based on Microsoft Dynamics platform. This ensures high degree of system based checks and controls. The Company maintains a system of internal controls designed to provide a high degree of assurance regarding the effectiveness.

F. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial statements have been prepared in accordance with the requirements of applicable Corporate Laws of India. The management of your company accepts the integrity and objectivity of these financial statements as well as the various estimates and judgments used therein.

The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Account and other financial statements forming part of this Annual Report. For financial highlights please refer heading 'Financial Summary' of Board Report.

G. HUMAN RESOURCES AND DEVELOPMENT

At SMIL, we believe in fostering equal employment opportunities, where individuals are selected and treated on the basis of their job-relevant merits and are given equal opportunities within the organization. Your company always strives to achieve maximum employee satisfaction and has initiated many programs on up-skilling/ training and empowerment of its employees. The Company has criterias for hiring of best talent in the Company who can provide quality of work and add to the Company's growth.

The Company had 1189 permanent employees as on 31st March, 2018. The industrial relations remained peaceful and cordial throughout the year.

H. STATUTORY COMPLIANCE

On obtaining confirmation from the various units of the Company of having complied with all the statutory requirements, a Statutory Compliance Certificate on quarterly basis regarding compliance with the provisions of the various statutes duly signed by respective functional heads and countersigned by Managing Director of the Company is placed at every Audit Committee Meeting.

Further pursuant to Listing Regulations, the Company regularly obtains CEO declaration in respect of compliance of Code of Conduct adopted by the Company. A certificate from CEO and CFO is also adopted on yearly basis certifying the compliances as stipulated in Listing Regulations.

Cautionary Statement

Certain statements in the Management Discussion and Analysis describing your Company's views about the industry, expectations/ predictions, objectives, etc. may be forward looking within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied in these statements. Your Company's operations may, inter-alia, be affected by the supply and demand situations, input prices and availability, changes in government regulations, tax laws, government or court decisions and other factors such as industry relations and economic developments etc. Investors should bear the above in mind.

We have audited the accompanying standalone Ind AS financial statements of **Sharda Motor Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit & loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards(Ind AS) prescribed under Section 133 of the Act read with the companies (Indian accounting Standards) Rule 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalonelnd AS financial statements, whether due to fraudor error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at March 31, 2018 and its Profit (including other comprehensive income), its cash flows and the changes in the equity for the year ended on that date.

Other Matter

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 01, 2016 included in these standalone Ind AS financial statements, are based on thepreviously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended March 31, 2017 and March 31, 2016 dated May 30, 2017 and May 27, 2016 respectively expressed an unmodified opinion on those standalone financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.Our opinion is not modified in respect of above matter.

Annexure 'A' To the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of Sharda Motor Industries Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")
We have audited the internal financial controls over financial reporting of Sharda Motor Industries Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls
The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility
Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting
A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting
Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion
In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended March 31, 2018

Note 1: Corporate Information

Sharda Motor Industries Limited ("the Company") is primarily engaged in the manufacturing and assembly of Auto Components and White Goods Components. The Company serves as a 'Tier I' vendor for some of the major Automobiles and Electronics Original Equipment Manufacturers (OEMs). It has got a 'State of Art' manufacturing facilities across thirteen locations in seven states of India. The Company's production range includes Exhaust Systems, Catalytic Convertors, Suspension Systems, Sheet Metal Components and Plastic parts for the Automotive and White Goods Industries.

Note 2: Basis of preparation of Financial statements

2.1 Statement of Compliance:

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

Upto the year ended 31st March, 2017, the Company prepared the financial statements in accordance with the requirements of previous GAAP, which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act. These are the Company's first Ind AS financial statements. The date of transition to the Ind AS is April 01, 2016. The financial statements for the year ended 31st March, 2017 and the opening Balance Sheet as at 1st April, 2016 have been restated in accordance with Ind AS for comparative information. Reconciliations and explanations of the effect of the transition from Previous GAAP to Ind AS on the Company's Balance Sheet, Statement of Profit and Loss and Statement of Cash Flows are provided in note 41.

The financial statements were authorized for issue by the Company's Board of Directors on May 26, 2018.

2.2 Basis of preparation and presentation:

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial assets and liabilities (including derivative instruments) and net defined benefits (assets)/liability which are measured at fair value and fair value of the plan assets less present value of defined benefits obligations respectively at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

The principal accounting policies are set out below.

2.3 Going concern:

The board of directors have considered the financial position of the Company at March, 31 2018 and the projected cash flows and financial performance of the Company for at least twelve months from the date of approval of these financial statements as well as planned cost and cash improvement actions, and believe that the plan for sustained profitability remains on course. The board of directors have taken actions to ensure that appropriate long-term cash resources are in place at the date of signing the accounts to fund the Company's operations.

2.4 Use of estimates and judgements:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements:

- useful life of Property, plant and equipment

- useful life of Intangible assets

- provisions and contingent liabilities

- income taxes

- lease classification and judgement regarding whether an arrangement contain a lease

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2018:

- measurement of defined benefit obligations: key actuarial assumptions

- recognition and measurement of provision for warranties, provision for litigations and contingent liabilities: key assumptions about the likelihood and magnitude of an outflow of resources

- the liability for site restoration is measured on the basis of present estimated cost to decommission the asset, current inflation rate and discount rate.

2.5 Measurement of fair values:

A number of the Company's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to measurement of fair values. The directors are responsible for overseeing all significant fair value measurements, including Level 3 fair values. Directors regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirely in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the changes have occurred.

2.6 Operating cycle:

All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

Note 3: Summary of Significant accounting policies

3.1 Revenue recognition and presentation:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, sales incentives, value added taxes.

The Company recognises revenue when the amount of revenue and its related cost can be reliably measured and it is probable that future economic benefits will flow to the entity and specific criteria in relation to significant risk and reward and degree of managerial involvement associated with ownership or effective control have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transactions and the specifics of each arrangement.

Sale of goods

Domestic sales are recognised on transfer of significant risk and rewards of ownership to customer, which takes place on dispatch of goods to the customers from factory. The sales are accounted for net of trade discount, sales tax and sales return. Export sales are recognized at the time of the clearance of goods and approval of Goverment authorities.

Sale includes revision in prices received from customers with retrospective effect.

Income from Services

Rendering of services is recognised under the proportionate completion method provided the consideration is reliably determinable and no significant uncertainty exists regarding the collection of the consideration.

Dividend and Interest Income

Dividend income from investments is recognised when the shareholders' right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts throughout the expected life of the financial instrument to the gross carrying amount of the financial asset.

3.2 Recognition of interest expense:

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts the estimated future cash payments throughout the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

3.3 Property, Plant and Equipment (PPE):

Items of PPE are measured at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any.

Cost of an item of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, if any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Capital work in progress includes cost of property, plant and equipment (including related expenditure) under installation/under development as at the balance sheet date.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the statement of profit or loss.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Transition to Ind AS: On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at April 1, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

Depreciation: Depreciation is provided using the written down value based on useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 and after retaining the residual value of 5% of the original cost of the asset in the said Schedule except in respect of the following cases, where useful life of assets is different than those prescribed in Schedule II .

Asset	Estimated Useful Life (Years)	Useful Life as per Companies Act, 2013 (Years)
Plant & Machinery	20	15
Electrical Fittings	15	10
Tools & Dies	10	Not Specified

The residual value and useful life and method of depreciation of property, plant and equipment are reviewed at each financial year and adjusted prospectively, if appropriate.

Assets purchased during the year costing ₹ 5,000 or less are depreciated at the rate of 100%

3.4 Intangible assets:

Intangible assets comprise of computer software (which does not form an integral part of related hardware) ,Technical Know-How and Guidance Fee. Computer software which is acquired separately, is recognized initially at cost. Following initial recognition principle, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets under development include cost of assets under installation/under development as at the balance sheet date.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Transition to Ind AS: On transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognized as at April 01, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

Amortisation method and useful lives: Intangible assets other than Technical Know-How and Guidance Fee are amortized on a straight line basis over the estimated life of three years and Technical Know-How and Guidance Fee is amortised on straight line method over the estimated life of 6 years from the date of capitalisation.

3.5 Research & Development Costs:

a) The revenue expenditure on research and development is charged as an expense in the year in which it is incurred. However Expenditure on development activities, whereby research findings are applied to a future plan or design for the production of new or substantially improved products and process and has got future benefits is capitalized. Such capitalization includes cost of materials, direct labour and an appropriate proportion of overheads that are directly attributable to preparing the assets for its intended use.

b) Capitalized development expenditure is stated at cost less accumulated depreciation and impairment losses. Depreciation on such capital assets is followed in accordance with the Company's Policy.

3.6 Borrowing costs:

Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as a part of cost of the asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets are deducted from the borrowing costs eligible for capitalisation.

3.7 Foreign currencies:

Functional and presentational currency

The Company's financial statements are presented in Indian Rupees (₹) which is also the Company's functional currency. Functional currency is the currency of the primary economic environment in which a Company operates and is normally the currency in which the Company primarily generates and expends cash. All the financial information presented in ₹ lakhs except where otherwise stated.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at the functional currency spot rate prevailing on the date when the transaction first qualifies for recognition. Exchange differences arising on foreign currency transactions settled during the year are recognised in profit or loss.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences on restatement/settlement of all monetary items are recognised in profit or loss.

The Company has one branch office outside India whose financial statement are translated into Indian Rupees as if the transaction of the foreign operation were those of Company itself. Monetary assets and liabilities denominated in foreign currencies as at the Balance Sheet date are translated at year end rates. The resultant exchange differences are recognised in profit or loss. Non-monetary assets are recorded at the rates prevailing at the rates on the date of the transaction.

3.8 Inventories:

Raw material, Consumable Stores and spare parts are valued at lower of cost or net realizable value. Cost includes purchase price (excluding taxes which are subsequently recoverable by the enterprise from the Concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. In determining the cost, FIFO method is used.

Work in progress, manufactured finished goods and traded goods are valued at lower of cost or net realizable value. The comparison of cost and net realizable value is made on an item by item basis. Cost of work in progress and manufactured finished goods is determined on FIFO basis and comprises direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition.

Stock in Transit is valued at lower of cost or net realizable value. Scrap is valued at estimated net realizable value.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

3.9 Leases:

Determining whether arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Assets taken on finance lease are initially capitalised at fair value of the asset or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to periods during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Assets held under lease

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to similar owned assets.

Assets held under leases that do not transfer to the Company substantially all the risk and rewards of ownership (i.e. operating leases) are not recognised in the Company's balance sheet.

Lease payments

Payments made under operating leases are recognised in statement of profit or loss on a straight line basis over the term of the lease unless such payment are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognised as an integral part of the total lease expenses over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

3.10 Employee Benefits:

Short Term Employee Benefits

All employee benefits expected to be settled wholly within twelve months of rendering the service are classified as short-term employee benefits. When an employee has rendered service to the Company during an accounting period, the Company recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for that service as an expense unless another Ind AS requires or permits the inclusion of the benefits in the cost of an asset. Benefits such as salaries, wages and short-term compensated absences, bonus and ex-gratia etc. are recognised in statement of profit and loss in the period in which the employee renders the related service.

A liability is recognised for the amount expected to be paid after deducting any amount already paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably. If the amount already paid exceeds the undiscounted amount of the benefits, the Company recognises that excess as an asset /prepaid expense to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

Post-Employment Benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions to a statutory authority and will have no legal or constructive obligation to pay further amounts.

Retirement benefits in the form of Provident Fund and employee state insurance are a defined contribution scheme and contributions paid/payable towards these funds are recognised as an expense in the statement of profit and loss during the period in which the employee renders the related service. There are no other obligations other than the contribution payable to the respective trusts.

Defined benefit plan

The Company has Defined benefits plans namely Gratuity for employees. The gratuity fund are recognised by the income tax authorities and are administered through Company's trusts where a policy with 'Life Insurance Corporation of India' has been taken to cover the gratuity liability of the employees. The difference between the actuarial valuation of the gratuity of employees at the year end and the balance of funds with Life Insurance Corporation of India is provided for as liability in the books.

The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in profit or loss.

Remeasurement of gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Other Long Term Employee Benefits

Liabilities for leave encashment / compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

3.11 Provisions, Contingent liabilities and contingent assets:

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Litigations: Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain.

The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. The unwinding of discount is recognised in the statement of profit and loss as a finance cost.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly with in the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets are disclosed when there is a possible asset that arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly with in the control of the Company.

3.12 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial asset and financial liabilities are initially measured at fair value. Transaction cost which are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction cost directly attributable to the acquisition of financial assets financial liabilities at fair value through profit or loss are recognised immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

(a) Financial Assets

All purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirely at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The Company classifies its financial assets in the following measurement categories:

• those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and

• those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

• Business model test : the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.

• Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

• Business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.

• Cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

Investments in equity instrument at fair value through other comprehensive income (FVTOCI)

On initial recognition, the Company can make an irrevocable election (on an instrument by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instrument. This election is not permitted if the equity instrument is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains / losses arising from changes in fair value recognised in other comprehensive income. This cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

The Company has an equity investment in an entity which is not held for trading. The Company has elected to measure this investment at amortised cost. Dividend, if any, on this investments is recognised in profit or loss.

Equity investment in subsidiaries, associates and joint ventures

Investments representing equity interest in subsidiaries, associates and joint ventures are carried at cost less any provision for impairment. Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the amortised cost criteria or fair value through other comprehensive income criteria are measured at fair value through profit or loss. A financial asset that meets the amortised cost criteria or fair value through other comprehensive income criteria may be designated as at fair value through profit or loss upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets and liabilities or recognising the gains or losses on them on different bases.

Investments in mutual funds are measured at fair value through profit and loss. Financial assets which are fair valued through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss.

Trade receivables

Impairment of financial assets

The Company assesses impairment based on expected credit losses (ECL) model to the following :

• financial assets measured at amortised cost

• financial assets measured at fair value through other comprehensive income

Expected credit loss are measured through a loss allowance at an amount equal to:

• the twelve month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within twelve months after the reporting date); or

• full life time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Derecognition of financial assets

A financial asset is derecognised only when

• The Company has transferred the rights to receive cash flows from the financial asset or

• Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Foreign exchange gains and losses:

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the exchange rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost or fair value through profit or loss the exchange differences are recognised in profit or loss except for those which are designated as hedge instrument in a hedging relationship.

Further change in the carrying amount of investments in equity instruments at fair value through other comprehensive income relating to changes in foreign currency rates are recognised in other comprehensive income.

(b) Financial liabilities and equity instruments

Classification of debt or equity

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at fair value through profit or loss.

Trade and other payables

Trade and other payables represent liabilities for goods or services provided to the Company prior to the end of financial year which are unpaid.

Borrowings

Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of borrowings using the effective rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

Foreign exchange gains or losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in profit or loss. The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the exchange rate at the end of the reporting period. For financial liabilities that are measured as at fair value through profit or loss, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

3.13 Derivative financial instruments:

The Company enters into foreign exchange forward contracts and certain other derivative financial instruments to manage its exposure to foreign exchange rate risks and commodity price risks.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument which is recognised in other comprehensive income (net of tax) and presented as a separate component of equity which is later reclassified to profit or loss when the hedge item affects profit or loss.

3.14 Taxes:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are also recognised in other comprehensive income or directly in equity respectively.

3.15 Impairment of tangible and intangible assets:

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

3.16 Operating segment:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's CODM to make decisions about resources to be allocated to the segments and assess their performance.

The operations of the Company falls under manufacturing & trading of auto component parts, which is considered to be the only reportable segment by the Company's CODM.

3.17 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, demand deposits held with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

3.18 Dividends:

Final dividends on shares are recorded on the date of approval by the shareholders of the Company.

3.19 Assets Held for Sale:

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met: (i) decision has been made to sell. (ii) the assets are available for immediate sale in its present condition. (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

3.20 Earnings per share (EPS):

Basic earnings per share are calculated by dividing the net profit/ (loss) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earning per share is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year end, except where the results would be anti-dilutive.

3.21 Recent accounting pronouncements-Standards issued but not yet effective:

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 1, 2018. The Company is evaluating the requirements of the amendment and its effect on the financial statements.

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

• Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

• Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company is yet to decide the method of applicability and is evaluating the requirements of the amendment and its effect on the financial statements.

Modifications on Ind AS 102, have been issued by MCA, however the standard is not applicable to the Company

Amendment to Ind AS 12 : The amendment to Ind AS 12 requires the entities to consider restriction in tax laws in sources of taxable profit against which entity may make deductions on reversal of deductible temporary difference (may or may not have arisen from same source) and also consider probable future taxable profit. The Company is evaluating the requirements and its impact on the financial statements.

Note 35 : Gratuity and other post-employment benefit plans

a) Defined contribution plans

The Company makes contribution towards Employees Provident Fund, Employee's State Insurance scheme and Employee Welfare Fund. Under the rules of these schemes, the Company is required to contribute a specified percentage of payroll costs. The contributions are made to registered funds administered by the Government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The Company during the year recognised the following amount in the Statement of profit and loss account under Company's contribution to defined contribution plan:

	For the year ended March 31, 2018	For the year ended March 31, 2017
Employer's Contribution to Provident Fund/ Pension Fund	333.39	300.04
Employer's Contribution to Employee State Insurance	59.76	45.41
Employer's Contribution to Employee Welfare Fund	0.85	0.98
Total	**394.00**	**346.43**

The contribution payable to these schemes by the Company are at the rates specified in the rules of the schemes.

b) Defined benefit plans

In accordance with Ind AS 19 "Employee benefits", an actuarial valuation on the basis of "Projected Unit Credit Method" was carried out, through which the Company is able to determine the present value of obligations. "Projected Unit Credit Method" recognizes each period of service as giving rise to additional unit of employees benefit entitlement and measures each unit separately to built up the final obligation.

i) Gratuity scheme

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The employee's gratuity fund scheme managed by Life Insurance Corporation is a defined benefit funded plan. The present value of obligation is determined based on actuarial valuation using the projected unit credit method, which recognizes each period of services as giving rise to additional unit of employees benefit entitlement and measures each unit separately to built up the final obligation.

ii) Compensated absences

The Company operates compensated absences plan wherein every employee is entitled to the benefit equivalent to 26 days leave salary for every completed year of service subject to maximum 30 accumulations of leaves. The salary for calculation of earned leave is last drawn salary. The same is payable during the service, early retirement, withdrawal of scheme, resignation by employee and upon death of employee. Short term compensated absences are recognised in the statement of profit and loss on the basis of actual liability and long term compensated absences are recognised on the basis of actuary valuation which is an unfunded defined benefit plan.

These plans typically expose the Company to actuarial risks such as: Investment risk, interest rate risk, longevity risk and salary risk.

Investment Risk

The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Interest Risk

The plan expose the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Longevity Risk

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk

The present value of defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

c) The following tables summarize the components of net benefit expense recognised in the Statement of profit and loss and the funded status and amounts recognised in the balance sheet for the defined benefit plan (viz. gratuity and compensated absences).Leave encashment include earned leaves and sick leaves. These have been provided on accrual basis, based on year end actuarial valuation.

40.2 Measurement of fair value

Level 1: Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.

Level 2: Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly. This level of hierarchy consists of options, cross currency and interest rate swap contract & investments in mutual funds.

Level 3: Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are investments in unquoted equity instruments and other investment.

There have been no transfers between Level 1 and Level 2 during the period.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

(i) Investments in mutual funds: Fair value is determined by reference to quotes, i.e. net asset value (NAV) for investments in mutual funds as declared.

(ii) Derivative contracts: The Company has entered into variety of foreign currency Options and interest rate swap contract to manage its exposure to fluctuations in foreign exchange rates and interest risk. These financial exposures are managed in accordance with the Company's risk management policies and procedures. Fair value of derivative financial instruments are determined using valuation techniques based on information derived from observable market data.

(iii) Unquoted equity and other investments: Fair value of same has not been derived as in the opinion of directors the carrying amounts of these investments approximate their fair values.

(iv) Fair value of cash and cash equivalents, trade receivables, other current financial assets, trade payables, other current financial liabilities approximate their carrying amount, largely due to the short-term nature of these instruments.

(v) Interest rates on long-term borrowings are equivalent to the market rate of interest. Accordingly, the carrying value of such long-term debt approximates fair value.

(vi) Fair value of all other non-current financial assets have not been disclosed as the change from carrying amount is not significant, as the discount rate has not changed significantly.

Discount rate used in determining fair value

The interest rate used to discount estimated future cash flows, where applicable, are based on the incremental borrowing rate of borrower which in case of financial liabilities is average market cost of borrowings of the Company and in case of financial asset is the average market rate of similar credit rated instrument. The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

40.3 Capital management

The Company's policy is to maintain a strong capital base so as to maintain confidence of investors, bankers, customers and vendors and to sustain future development of the business. The management monitors the return on capital and also monitors capital using a ratio of 'adjusted net debt' to 'equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising borrowings less cash and cash equivalents. Equity comprises all components of equity.

The Company's adjusted net debt to equity ratio was as follows:

	March 31, 2018	March 31, 2017	April 01, 2016
Total liabilities	23,177.53	26,629.18	28,749.41
Less: Cash and Cash equivalents	2,200.73	582.36	251.79
Adjusted net debt	20,976.80	26,046.82	28,497.63
Total equity	35,502.76	28,532.10	23,757.82
Adjusted net debt to equity ratio	**0.59**	**0.91**	**1.20**

40.4 Financial risk management

The Company has exposure to the following risks arising from financial instruments:
- Market risk
- Credit risk
- Liquidity risk

Risk management framework:

The Company's principal financial liabilities other than derivatives comprise trade and other payables, borrowings, employees related payables, interest accrued, unpaid dividend, security deposit, capital creditors and others. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations.

The Company's principal financial assets includes Investment in mutual funds, security deposits, trade receivables, cash and cash equivalents, deposits with banks, interest accrued in deposits, receivables from related and other parties and interest accrued thereon.

The Company's senior level management assess these risks and is supported by Treasury department that advises on the appropriate financial risk governance framework.

All derivative activities for risk management purposes are carried out in line with the policy duly approved by board of directors. The execution of the policy is done by treasury deaprtment which has appropriate skills, experience and supervision. The policy provides that the Company should hedge through prescribed instruments to cover all possible risks of foreign currency outstanding after considering the natural hedge available and customer arrangements. It also prohibits any hedging for speculative transactions.

A. Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates - will affect the Company's financial position or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the return. The Company uses derivatives to manage market risks. All such transactions are carried out within the guidelines set by the Company.

Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales and purchases are denominated and functional currency of the Company, i.e. INR (₹). The currencies in which these transactions are primarily denominated are US dollar. The Company uses options, cross currency and interest rate swap contracts to hedge its currency risk on borrowings as per the approved policy of the Company. The Company's policy is to ensure that its net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rate when necessary to address short term imbalances. However, the Company has not designated these derivatives as hedge relationship.

Exposure to currency risk:

Sensitivity analysis:

A reasonably possible strengthening (weakening) of USD against INR (₹) at the end of the year, would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit or loss by the amount shown below. This analysis assumes that all other variables, in particular interest rates, remain constant.

B. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers, foreign exchange transactions, deposits with banks and other financial instruments. The carrying amount of financial assets represent the maximum credit risk exposure.

i) Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry and country in which customers operate.

The Company primarily has the exposure from following type of customer:

- Original equipment manufacturers (OEMs)

Company has established a policy under which each new OEMs are analysed individually for creditworthiness before goods are sold to them. The Company's review includes due diligence by analysing financial statements, industry information, promoter's background and in some cases bank references. In case of sales, the Company has limited its credit exposure to OEMs and dealers by providing a maximum payment period up to 60 days.

The Company's expected probability of default is nil and all major payments are received on due dates without any significant delays.

The ageing analysis of trade receivables as of the reporting date is as follows:

Particulars	Neither past due nor impaired	Upto 180 days	More than 180 days	Total
Trade Receivables as of April 01, 2016	-	10,012.73	-	10,012.73
Trade Receivables as of March 31, 2017	-	10,806.98	-	10,806.98
Trade Receivables as of March 31, 2018	-	12,240.73	-	12,240.73

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivables, loans and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables. In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or legal entity, their geographical location, industry and existence of previous financial difficulties.

The impairment provisions for financial assets disclosed are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

However,Company need not required to provide for any risk allowance on account of trade receivable being bad and not recoverable as the amount of outstanding pertaining to trade receivables which exceeds the credit period allowed by the Company is less than 2% of the total outstanding from them.

ii) Financial assets

The Company's exposure to credit risk for financial assets is as follows:

	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Investments	10,623.33	8,011.61	3,113.49

Receivable on sale of investment	-	951.38	-
Total	**11,068.30**	**9,468.27**	**3,723.53**

C. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities, when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's primary sources of liquidity include cash deposits,short term investments in mutual funds, borrowings, undrawn committed credit facilities and cash flow from operating activities. The Company seeks to increase income from its existing operations by maintaining quality standards for its goods and services while reducing the related costs and by controlling operating expenses.

Consequently, the Company believes its revenue, along with proceeds from financing activities will continue to provide the necessary funds to cover its short term liquidity needs. In addition, the Company projects cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans. However, material changes in the factors described above may adversely affect the Company's net cash flows.

As on March 31, 2018, Company doesn't have any outstanding borrowings

Note 41: First time adoption of Ind AS

As stated in note 2, the financial statements for the year ended March 31, 2018 would be the first annual financial statements prepared in accordance with Ind AS. For year up to and including the year ended March 31, 2017, the Company has prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013 and other relevant provisions of the Act ('previous GAAP').

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for year ended March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 01, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 01, 2016 and the financial statements as at and for the year ended March 31, 2017.

Exemptions applied

The Company has prepared the opening balance sheet as per Ind AS as of April 01, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets and liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS and applying Ind AS in measurement of recognised assets and liabilities. However this principle is subject to certain exception and certain optional exemption availed by the Company. The Company has applied the following exemptions apart from mandatory exceptions in Ind AS 101:

a) Mandatory exceptions

i) Estimates

As per Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS or as at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the I GAAP unless there is a objective evidence that those estimates were

in error. However the estimates should be adjusted to reflect any differences in accounting policies. As per Ind AS 101, where application of Ind AS requires an entity to make certain estimates that were not required under I GAAP, those estimates should be made to reflect conditions that existed at the date of transition or at the end of comparative period, as the case may be.

The Company's estimates under Ind AS are consistent with the above requirement. Key estimates considered in preparation of the financial statements that were not required under the I GAAP are as follows:

- Fair valuation of financial instruments carried at FVTPL.

- Determination of the discounted value for financial instruments carried at amortized cost

ii) Classification and measurement of financial assets:

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortised cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable. Accordingly, the Company has determined the classification of financial assets based on facts and circumstances that exist on the date of transition. Measurement of financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

b) Optional exemptions

i. Property, Plant and Equipment and Intangible Assets

As permitted by Ind AS 101 - First-time Adoption of Indian Accounting Standards, the Company has elected to continue with carrying values under IGAAP for all items of Property, Plant and Equipment and intangible assets. The carrying values of property, plant and equipment and capital work in progress as aforesaid are after making adjustments relating to de-commissioning liabilities, if any.

ii. Determining whether an arrangement contains a lease

Ind AS 101 includes an optional exemption that permits an entity to apply the relevant requirements in Appendix C of Ind AS 17 for determining whether an arrangement existing at the date of transition contains a lease by considering the facts and circumstances existing at the date of transition (rather than at the inception of the arrangement). The Company has elected to avail of the above exemption.

iii. Investments in Joint Controlled Entities and Associates in separate financial statements

In accordance with Ind-AS transitional provisions, the Company opted to consider previous GAAP carrying value of investments as deemed cost on transition date for investments in Joint Ventures and Associates in separate financial statement.

c) Other Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following table represents the reconciliations from previous GAAP to Ind AS

i. Reconciliation of Total Equity as at March 31, 2017 and April 1, 2016

Cash and Cash equivalents at the March 31, 2017	**582.06**	**0.30**	**582.36**

Notes to First Time Adoption:

1) Fair Value through profit & loss

Under previous GAAP, investments in long term equity instruments are shown at cost and tested for provision other than temporary diminution. As per Ind AS 109, such investments are measured at fair value through profit & loss (FVTPL) and resultant gain/ (loss) is recognised in statement of profit & loss.

2) Mark to Market on derivative instruments

Under the previous GAAP, the premium or discount arising at the inception of forward contracts are amortised as an expense in statement of profit & loss. As per Ind AS 109, such derivative contracts are marked to market at reporting date and resultant gain/ (loss) is recognised in statement of profit & loss.

3) Effective interest rate adjustment on borrowings

As per Ind AS 109 requires transaction costs incurred towards origination of borrowings to be dedcuted from the carrying amount of borrowings on initial recognition. These costs are recognised in the statement of profit & loss over the tenure of the borrowings as part of finance cost by applying the effective interest method. Under previous GAAP, these transactions were charged to statement of profit & loss on straight line basis over the period of loan.

4) Proposed Dividend

Under Previous GAAP, proposed dividends and related the dividend distribution tax are recognised as a provision in the year to which they relate, irrespective of when they are declared. Under Ind AS, dividends and related dividend distribution tax are recognised as a liability in the year in which it is approved by the shareholders in the Annual General Meeting of the Company.

5) Retirement Benefits

Actuarial gain/(loss) - Under Previous GAAP, the actuarial gain/(loss) of defined benefit plans has been recognised in Statement of Profit and Loss as an exceptional item. Under Ind AS, the remeasurement gain/(loss) on net defined benefit plans is recognised in Other Comprehensive Income net of tax.

6) Discounting of security deposits for leases

Under Previous GAAP, the security deposits for leases are accounted at an undiscounted value. Under Ind AS, the security deposits for leases have been recognised at discounted value and the difference between undiscounted and discounted value has been recognised as 'Deferred lease rent' which has been amortised over respective lease term as rent expense under 'other expenses'. The discounted value of the security deposits is increased over the period of lease term by recognising the notional interest income under 'other income'.

7) Lease Equalisation Reserve

Under Previous GAAP, lease payments are required to be recognised on a straight-line basis over the term of the lease. Under Ind AS, lease payments which are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, are required to be recognised as an expense in line with its contractual term. Accordingly, the provision for scheduled increases on operating lease recognised under Previous GAAP has been written back under Ind AS.

8) Reclassification adjustment (Mat credit entitlement and excise duty)

MAT credit entitlement: Under previous GAAP, MAT credit entitlement was being shown separately under the head "Loans and Advances" whereas under Ind AS, the same is required to be shown under the head "Deferred tax asset".

Excise duty: Under previous GAAP, revenue form operations was shown net of excise duty, whereas as per Ind AS excise duty paid should be presented as a separate line item under the head 'Expenses' on the face of the Statement of Profit and Loss.

9) Prior period expenses

Under previous GAAP, prior period items was required to be disclosed separately in the financial statements. However, as per Ind AS, Company is required to adjust material prior period errors retrospectively by restating the comparative amounts for the earliest prior period presented. Further, where the amount of prior period pertains to the period before the earliest prior period presented, opening balances of the earliest period presented are to be restated.

10) Deferment of Revenue

Under Ind AS, Income from services including the associated selling cost is deferred over the respective years to which they pertain. Such income is recognised on straight line basis over the warranty period and the associated service claim cost is recognised as an when incurred and no provision is recognised for warranty cost whereas under previous GAAP, provision for warranty were made and revenue against the same had been recognised in full in the year of sale.

11) Other Ind AS Adjustments

Other adjustments include adjustments on various matters which have not been disclosed separately considering the materiality of the amounts involved.

12) Deferred Tax Adjustments

Retained earnings and statement of profit & loss has been adjusted consequent to the Ind AS transition adjustments with corresponding imoact to deferred tax, wherever applicable.

Note 42: In view of the management, the current assets (financial & other) have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet.

Note 43: Events occurring after balance sheet date

There are no major events which has occurred after the balance sheet date.

Note 44: Figures have been rounded off to the nearest lakhs upto two decimal place except otherwise stated.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sharda Motor Industries Limited

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **Sharda Motor Industries Limited** (hereinafter referred to as "Parent") and its associate companies and joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Parent Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Parent Company including its associates and joint ventures in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The respective Board of Directors of the Parent Company and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and of its associates and joint ventures and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the directors of the Parent, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. In conducting, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Parent's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Parent's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and other auditor in terms of their report referred to in sub-paragraph (a) of the Other Matters paragraph below and the representation received from the management for companies un-audited referred to in sub-paragraph (b) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Ind AS, of the consolidated state of affairs (financial position) of the Parent, its associates and joint ventures as at March 31, 2018, and their consolidated Profit (financial performance including other comprehensive income), their consolidated cash flows and consolidated statement of changes in equity for the year then ended.

Other Matters

a. The consolidated Ind AS financial statements include the Parent's share of net profit of Rs.803.14 lakhs for the year ended March 31, 2018, as considered in the consolidated Ind AS financial statements, in respect of one associate Company. These financial statements have been audited by other auditor whose report have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amount and disclosures included in respect of aforesaid associate, and our report in terms of Section 143 (3) of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of the other auditor.

b. The consolidated Ind AS financial statements include the Parent's share of net profit of Rs.209.51 lakhs for the year ended March 31, 2018, as considered in the consolidated Ind AS financial statements, in respect of one associate company and two joint ventures, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of one associate Company and two joint ventures and our report in terms of Section 143 (3) of the Act, insofar as it relates to the aforesaid one associate Company and two joint ventures, is based solely on such unaudited financial statements.

c. The comparative financial information of the Parent and its associates and joint ventures for the year ended March 31, 2017 and the transition date opening balance sheet as at April 01, 2016 included in these consolidated Ind AS financial statements, are based on the previously issued consolidated financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended March 31, 2017 and March 31, 2016 dated July 17, 2017 and May 27, 2016 respectively expressed an unmodified opinion on those consolidated financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below is not modified in respect of these matters with respect to our reliance on the work done and the report of the other auditor and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements;

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and records of the Parent and the report of the other auditor and representation received from the management for the entities un-audited;

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.

(d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder;

(e) On the basis of written representations received from the directors of the Parent as on March 31, 2018, taken on record by the Board of Directors of the Parent, and the report of the statutory auditor of its associate and on the basis of the representation received from the management in respect of one associate company and two joint ventures, none of the directors of the Parent, its associates and joint ventures is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of Parent, associate companies and joint ventures incorporated in India and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"**; and

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. On the basis of written representations received from the management of the Parent, the Parent does not have any pending litigations which would impact the consolidated financial position of the Parent, its associates and joint ventures. except for the cases which are disclosed under Note 21.1 "Contingent Liabilities" in the consolidated Ind AS financial statements

ii. The Parent, its associates and joint ventures did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent, associate companies and joint ventures incorporated in India.

Annexure 'A' To the Independent Auditors' Report of even date on the Consolidated Financial Statement of Sharda Motor Industries Limited

(Referred to in paragraph 1(f) under "Report on Other Legal and Regulatory Requirements" section of our report of even date to the Members of Sharda Motor Industries Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of Sharda Motor Industries Limited (hereinafter referred to as "Parent") and its associate companies and joint ventures, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent and its associate companies and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the representation received from the management for companies un-audited referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company"s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the management representation for companies un-audited referred to in the Other Matters paragraph below, the Parent, its associate companies and joint ventures, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on "the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one associate company, which is company incorporated in India is based solely on the corresponding report of the other auditor and one associate company and two joint ventures which are companies incorporated in India, is based solely on the representation received from the management for such companies. Our opinion is not modified in respect of this matter.

Notes to Consolidated Financial Statements for the year Ended March 31, 2018

Note 1: Group Information

Sharda Motor Industries Limited ("the Company"), its subsidiaries and its joint venture(Jointly reffered to as the "Group' herein under) considered in these consolidated financial statements. The Company is primarily engaged in the manufacturing and assembly of Auto Components and White Goods Components. The Company serves as a 'Tier I' vendor for some of the major Automobiles and Electronics Original Equipment Manufacturers (OEMs). It has got a 'State of Art' manufacturing facilities across thirteen locations in seven states of India. The Company's production range includes Exhaust Systems, Catalytic Convertors, Suspension Systems, Sheet Metal Components and Plastic parts for the Automotive and White Goods Industries. (For details refer Note-45)

Note 2: Basis of preparation of Financial statements

2.1 Statement of Compliance:

The Consolidated financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

Upto the year ended 31st March, 2017, the Company prepared the Consolidated financial statements in accordance with the requirements of previous GAAP, which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act. These are the Company's first Ind AS Consolidated financial statements. The date of transition to the Ind AS is April 01, 2016. The financial statements for the year ended 31st March, 2017 and the opening Balance Sheet as at 1st April, 2016 have been restated in accordance with Ind AS for comparative information. Reconciliations and explanations of the effect of the transition from Previous GAAP to Ind AS on the Company's Balance Sheet, Statement of Profit and Loss and Statement of Cash Flows are provided in note 41.

The Consolidated financial statements were authorized for issue by the Company's Board of Directors on May 26, 2018.

2.2 Basis of preparation and presentation:

The Consolidated financial statements have been prepared on the historical cost convention on accrual basis except for certain financial assets and liabilities (including derivative instruments) and net defined benefits (assets)/liability which are measured at fair value and fair value of the plan assets less present value of defined benefits obligations respectively at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

The principal accounting policies are set out below.

2.3 Basis of consolidation and equity accounting:

i) Associates

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies. Investments in associates are accounted for using the equity method of accounting (see note (iii) below), after initially being recognised at cost.

(ii) Joint Ventures

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control. Interests in joint ventures are accounted for using the equity method of accounting (see note(iii) below), after initially being recognised at cost in the consolidated balance sheet.

(iii) Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Company's share of the post-acquisition profits or losses of the investee in profit and loss, and the Company's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Company's share of losses in equity-accounted investments equals or exceeds its interest in the entity, including any other unsecured long term receivables, the Company does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Company and its associates and joint ventures are eliminated to the extent of the Company's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

The carrying amount of equity accounted investments are tested for impairment.

(iv) To the extent possible, the consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's individual financial statements. Inconsistency, if any, between the accounting policies of the associates and joint ventures have been disclosed in the notes to accounts.

2.4 Going concern:

The board of directors have considered the financial position of the Company at March, 31 2018 and the projected cash flows and financial performance of the Company for at least twelve months from the date of approval of these Consolidated financial statements as well as planned cost and cash improvement actions, and believe that the plan for sustained profitability remains on course. The board of directors have taken actions to ensure that appropriate long-term cash resources are in place at the date of signing the accounts to fund the Company's operations.

2.5 Use of estimates and judgements:

The preparation of Consolidated financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

Judgements

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements:

- useful life of Property, plant and equipment

- useful life of Intangible assets

- provisions and contingent liabilities

- income taxes

- lease classification and judgement regarding whether an arrangement contain a lease

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2018:

- measurement of defined benefit obligations: key actuarial assumptions

- recognition and measurement of provision for warranties, provision for litigations and contingent liabilities: key assumptions about the likelihood and magnitude of an outflow of resources

- the liability for site restoration is measured on the basis of present estimated cost to decommission the asset, current inflation rate and discount rate.

2.6 Measurement of fair values:

A number of the Company's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to measurement of fair values. The directors are responsible for overseeing all significant fair value measurements, including Level 3 fair values. Directors regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirely in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the changes have occurred.

2.7 Operating cycle:

All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

Note 3: Summary of Significant accounting policies

3.1 Revenue recognition and presentation:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, sales incentives, value added taxes.

The Company recognises revenue when the amount of revenue and its related cost can be reliably measured and it is probable that future economic benefits will flow to the entity and specific criteria in relation to significant risk and reward and degree of managerial involvement associated with ownership or effective control have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transactions and the specifics of each arrangement.

Sale of goods

Domestic sales are recognised on transfer of significant risk and rewards of ownership to customer, which takes place on dispatch of goods to the customers from factory. The sales are accounted for net of trade discount, sales tax and sales return. Export sales are recognized at the time of the clearance of goods and approval of Goverment authorities.

Sale includes revision in prices received from customers with retrospective effect.

Income from Services

Rendering of services is recognised under the proportionate completion method provided the consideration is reliably determinable and no significant uncertainty exists regarding the collection of the consideration.

Dividend and Interest Income

Dividend income from investments is recognised when the shareholders' right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts throughout the expected life of the financial instrument to the gross carrying amount of the financial asset.

3.2 Recognition of interest expense:

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts the estimated future cash payments throughout the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

3.3 Property, Plant and Equipment (PPE):

Items of PPE are measured at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any.

Cost of an item of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, if any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Capital work in progress includes cost of property, plant and equipment (including related expenditure) under installation/under development as at the balance sheet date.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the statement of profit or loss.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Transition to Ind AS: On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at April 1, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

Depreciation: Depreciation is provided using the written down value based on useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 and after retaining the residual value of 5% of the original cost of the asset in the said Schedule except in respect of the following cases, where useful life of assets is different than those prescribed in Schedule II .

Asset	Estimated Useful Life (Years)	Useful Life as per Companies Act, 2013 (Years)
Plant & Machinery	20	15
Electrical Fittings	15	10
Tools & Dies	10	Not Specified

The residual value and useful life and method of depreciation of property, plant and equipment are reviewed at each financial year and adjusted prospectively, if appropriate.

Assets purchased during the year costing ₹ 5,000 or less are depreciated at the rate of 100%

3.4 Intangible assets:

Intangible assets comprise of computer software (which does not form an integral part of related hardware) ,Technical Know-How and Guidance Fee. Computer software which is acquired separately, is recognized initially at cost. Following initial recognition principle, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets under development include cost of assets under installation/under development as at the balance sheet date.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Transition to Ind AS: On transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognized as at April 01, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

Amortisation method and useful lives: Intangible assets other than Technical Know-How and Guidance Fee are amortized on a straight line basis over the estimated life of three years and Technical Know-How and Guidance Fee is amortised on straight line method over the estimated life of 6 years from the date of capitalisation.

3.5 Research & Development Costs:

a) The revenue expenditure on research and development is charged as an expense in the year in which it is incurred. However Expenditure on development activities, whereby research findings are applied to a future plan or design for the production of new or substantially improved products and process and has got future benefits is capitalized. Such capitalization includes cost of materials, direct labour and an appropriate proportion of overheads that are directly attributable to preparing the assets for its intended use.

b) Capitalized development expenditure is stated at cost less accumulated depreciation and impairment losses. Depreciation on such capital assets is followed in accordance with the Company's Policy.

3.6 Borrowing costs:

Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as a part of cost of the asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets are deducted from the borrowing costs eligible for capitalisation.

3.7 Foreign currencies:

Functional and presentational currency

The Company's financial statements are presented in Indian Rupees (₹) which is also the Company's functional currency. Functional currency is the currency of the primary economic environment in which a Company operates and is normally the currency in which the Company primarily generates and expends cash. All the financial information presented in ₹ lakhs except where otherwise stated.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at the functional currency spot rate prevailing on the date when the transaction first qualifies for recognition. Exchange differences arising on foreign currency transactions settled during the year are recognised in profit or loss.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences on restatement/settlement of all monetary items are recognised in profit or loss.

The Company has one branch office outside India whose financial statement are translated into Indian Rupees as if the transaction of the foreign operation were those of Company itself. Monetary assets and liabilities denominated in foreign currencies as at the Balance Sheet date are translated at year end rates. The resultant exchange differences are recognised in profit or loss. Non-monetary assets are recorded at the rates prevailing at the rates on the date of the transaction.

3.8 Inventories:

Raw material, Consumable Stores and spare parts are valued at lower of cost or net realizable value. Cost includes purchase price (excluding taxes which are subsequently recoverable by the enterprise from the Concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. In determining the cost, FIFO method is used.

Work in progress, manufactured finished goods and traded goods are valued at lower of cost or net realizable value. The comparison of cost and net realizable value is made on an item by item basis. Cost of work in progress and manufactured finished goods is determined on FIFO basis and comprises direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition.

Stock in Transit is valued at lower of cost or net realizable value. Scrap is valued at estimated net realizable value.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

3.9 Leases:

Determining whether arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Assets taken on finance lease are initially capitalised at fair value of the asset or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to periods during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Assets held under lease

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to similar owned assets.

Assets held under leases that do not transfer to the Company substantially all the risk and rewards of ownership (i.e. operating leases) are not recognised in the Company's balance sheet.

Lease payments

Payments made under operating leases are recognised in statement of profit or loss on a straight line basis over the term of the lease unless such payment are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognised as an integral part of the total lease expenses over the term of the lease. Minimum lease payments made under finance leases are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

3.10 Employee Benefits:

Short Term Employee Benefits

All employee benefits expected to be settled wholly within twelve months of rendering the service are classified as short-term employee benefits. When an employee has rendered service to the Company during an accounting period, the Company recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for that service as an expense unless another Ind AS requires or permits the inclusion of the benefits in the cost of an asset. Benefits such as salaries, wages and short-term compensated absences, bonus and ex-gratia etc. are recognised in statement of profit and loss in the period in which the employee renders the related service.

A liability is recognised for the amount expected to be paid after deducting any amount already paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably. If the amount already paid exceeds the undiscounted amount of the benefits, the Company recognises that excess as an asset /prepaid expense to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

Post-Employment Benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions to a statutory authority and will have no legal or constructive obligation to pay further amounts.

Retirement benefits in the form of Provident Fund and employee state insurance are a defined contribution scheme and contributions paid/payable towards these funds are recognised as an expense in the statement of profit and loss during the period in which the employee renders the related service. There are no other obligations other than the contribution payable to the respective trusts.

Defined benefit plan

The Company has Defined benefits plans namely Gratuity for employees. The gratuity fund are recognised by the income tax authorities and are administered through Company's trusts where a policy with 'Life Insurance Corporation of India' has been taken to cover the gratuity liability of the employees. The difference between the actuarial valuation of the gratuity of employees at the year end and the balance of funds with Life Insurance Corporation of India is provided for as liability in the books.

The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in profit or loss.

Remeasurement of gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Other Long Term Employee Benefits

Liabilities for leave encashment / compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

3.11 Provisions, Contingent liabilities and contingent assets:

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Litigations: Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain.

The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. The unwinding of discount is recognised in the statement of profit and loss as a finance cost.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly with in the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets are disclosed when there is a possible asset that arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly with in the control of the Company.

3.12 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial asset and financial liabilities are initially measured at fair value. Transaction cost which are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction cost directly attributable to the acquisition of financial assets financial liabilities at fair value through profit or loss are recognised immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

(a) Financial Assets

All purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirely at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The Company classifies its financial assets in the following measurement categories:

• those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and

• those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

• Business model test : the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.

• Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

• Business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.

• Cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

Investments in equity instrument at fair value through other comprehensive income (FVTOCI)

On initial recognition, the Company can make an irrevocable election (on an instrument by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instrument. This election is not permitted if the equity instrument is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains / losses arising from changes in fair value recognised in other comprehensive income. This cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

The Company has an equity investment in an entity which is not held for trading. The Company has elected to measure this investment at amortised cost. Dividend, if any, on this investments is recognised in profit or loss.

Equity investment in associates and joint ventures

Investments representing equity interest in associates and joint ventures are carried at cost less any provision for impairment. Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the amortised cost criteria or fair value through other comprehensive income criteria are measured at fair value through profit or loss. A financial asset that meets the amortised cost criteria or fair value through other comprehensive income criteria may be designated as at fair value through profit or loss upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets and liabilities or recognising the gains or losses on them on different bases.

Investments in mutual funds are measured at fair value through profit and loss. Financial assets which are fair valued through profit or loss are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss.

Trade receivables

Impairment of financial assets

The Company assesses impairment based on expected credit losses (ECL) model to the following :

• financial assets measured at amortised cost

• financial assets measured at fair value through other comprehensive income

Expected credit loss are measured through a loss allowance at an amount equal to:

• the twelve month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within twelve months after the reporting date); or

• full life time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Derecognition of financial assets

A financial asset is derecognised only when

• The Company has transferred the rights to receive cash flows from the financial asset or

• Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Foreign exchange gains and losses:

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the exchange rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost or fair value through profit or loss the exchange differences are recognised in profit or loss except for those which are designated as hedge instrument in a hedging relationship.

Further change in the carrying amount of investments in equity instruments at fair value through other comprehensive income relating to changes in foreign currency rates are recognised in other comprehensive income.

(b) Financial liabilities and equity instruments

Classification of debt or equity

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at fair value through profit or loss.

Trade and other payables

Trade and other payables represent liabilities for goods or services provided to the Company prior to the end of financial year which are unpaid.

Borrowings

Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of borrowings using the effective rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

Foreign exchange gains or losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in profit or loss.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the exchange rate at the end of the reporting period. For financial liabilities that are measured as at fair value through profit or loss, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

3.13 Derivative financial instruments:

The Company enters into foreign exchange forward contracts and certain other derivative financial instruments to manage its exposure to foreign exchange rate risks and commodity price risks.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument which is recognised in other comprehensive income (net of tax) and presented as a separate component of equity which is later reclassified to profit or loss when the hedge item affects profit or loss.

3.14 Taxes:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are also recognised in other comprehensive income or directly in equity respectively.

3.15 Impairment of tangible and intangible assets:

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted."

3.16 Operating segment:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's CODM to make decisions about resources to be allocated to the segments and assess their performance.

The operations of the Company falls under manufacturing & trading of auto component parts, which is considered to be the only reportable segment by the Company's CODM.

3.17 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, demand deposits held with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

3.18 Dividends:

Final dividends on shares are recorded on the date of approval by the shareholders of the Company.

3.19 Assets Held for Sale:

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met: (i) decision has been made to sell. (ii) the assets are available for immediate sale in its present condition. (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

3.20 Earnings per share (EPS):

Basic earnings per share are calculated by dividing the net profit/ (loss) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earning per share is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year end, except where the results would be anti-dilutive.

3.21 Recent accounting pronouncements-Standards issued but not yet effective:

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 1, 2018. The Company is evaluating the requirements of the amendment and its effect on the financial statements.

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

• Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors.

• Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company is yet to decide the method of applicability and is evaluating the requirements of the amendment and its effect on the financial statements.

Modifications on Ind AS 102, have been issued by MCA, however the standard is not applicable to the Company.

Amendment to Ind AS 12 : The amendment to Ind AS 12 requires the entities to consider restriction in tax laws in sources of taxable profit against which entity may make deductions on reversal of deductible temporary difference (may or may not have arisen from same source) and also consider probable future taxable profit. The Company is evaluating the requirements and its impact on the financial statements.

Note 35 : Gratuity and other post-employment benefit plans

a) Defined contribution plans

The Company makes contribution towards Employees Provident Fund, Employee's State Insurance scheme and Employee Welfare Fund. Under the rules of these schemes, the Company is required to contribute a specified percentage of payroll costs. The contributions are made to registered funds administered by the Government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The Company during the year recognised the following amount in the Statement of profit and loss account under Company's contribution to defined contribution plan:

	For the year ended March 31, 2018	For the year ended March 31, 2017
Employer's Contribution to Provident Fund/ Pension Fund	333.39	300.04
Employer's Contribution to Employee State Insurance	59.76	45.41
Employer's Contribution to Employee Welfare Fund	0.85	0.98
Total	**394.00**	**346.43**

The contribution payable to these schemes by the Company are at the rates specified in the rules of the schemes.

b) Defined benefit plans

In accordance with Ind AS 19 "Employee benefits", an actuarial valuation on the basis of "Projected Unit Credit Method" was carried out, through which the Company is able to determine the present value of obligations. "Projected Unit Credit Method" recognizes each period of service as giving rise to additional unit of employees benefit entitlement and measures each unit separately to built up the final obligation.

i) Gratuity scheme

The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The employee's gratuity fund scheme managed by Life Insurance Corporation is a defined benefit funded plan. The present value of obligation is determined based on actuarial valuation using the projected unit credit method, which recognizes each period of services as giving rise to additional unit of employees benefit entitlement and measures each unit separately to built up the final obligation.

ii) Compensated absences

The Company operates compensated absences plan wherein every employee is entitled to the benefit equivalent to 26 days leave salary for every completed year of service subject to maximum 30 accumulations of leaves. The salary for calculation of earned leave is last drawn salary. The same is payable during the service, early retirement, withdrawal of scheme, resignation by employee and upon death of employee. Short term compensated absences are recognised in the statement of profit and loss on the basis of actual liability and long term compensated absences are recognised on the basis of actuary valuation which is an unfunded defined benefit plan.

These plans typically expose the Company to actuarial risks such as: Investment risk, interest rate risk, longevity risk and salary risk.

Investment Risk

The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Interest Risk

The plan expose the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

Longevity Risk

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk

The present value of defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

c) The following tables summarize the components of net benefit expense recognised in the Statement of profit and loss and the funded status and amounts recognised in the balance sheet for the defined benefit plan (viz. gratuity and compensated absences).Leave encashment include earned leaves and sick leaves. These have been provided on accrual basis, based on year end actuarial valuation.

40.2 Measurement of fair value

Level 1: Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.

Level 2: Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly. This level of hierarchy consists of options, cross currency and interest rate swap contract & investments in mutual funds.

Level 3: Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are investments in unquoted equity instruments and other investment.

There have been no transfers between Level 1 and Level 2 during the period.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

(i) Investments in mutual funds: Fair value is determined by reference to quotes, i.e. net asset value (NAV) for investments in mutual funds as declared.

(ii) Derivative contracts: The Company has entered into variety of foreign currency Options and interest rate swap contract to manage its exposure to fluctuations in foreign exchange rates and interest risk. These financial exposures are managed in accordance with the Company's risk management policies and procedures. Fair value of derivative financial instruments are determined using valuation techniques based on information derived from observable market data.

(iii) Unquoted equity and other investments: Fair value of same has not been derived as in the opinion of directors the carrying amounts of these investments approximate their fair values.

(iv) Fair value of cash and cash equivalents, trade receivables, other current financial assets, trade payables, other current financial liabilities approximate their carrying amount, largely due to the short-term nature of these instruments.

(v) Interest rates on long-term borrowings are equivalent to the market rate of interest. Accordingly, the carrying value of such long-term debt approximates fair value.

(vi) Fair value of all other non-current financial assets have not been disclosed as the change from carrying amount is not significant, as the discount rate has not changed significantly.

Discount rate used in determining fair value

The interest rate used to discount estimated future cash flows, where applicable, are based on the incremental borrowing rate of borrower which in case of financial liabilities is average market cost of borrowings of the Company and in case of financial asset is the average market rate of similar credit rated instrument. The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

40.3 Capital management

The Company's policy is to maintain a strong capital base so as to maintain confidence of investors, bankers, customers and vendors and to sustain future development of the business. The management monitors the return on capital and also monitors capital using a ratio of 'adjusted net debt' to 'equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising borrowings less cash and cash equivalents. Equity comprises all components of equity.

The Company's adjusted net debt to equity ratio was as follows:

	March 31, 2018	March 31, 2017	April 01, 2016
Total liabilities	23,177.52	26,629.16	28,749.42
Less: Cash and Cash equivalents	2,200.73	582.36	251.79
Adjusted net debt	20,976.79	26,046.80	28,497.63
Total equity	38,452.39	30,550.09	25,386.97
Adjusted net debt to equity ratio	0.55	0.85	1.12

40.4 Financial risk management

The Company has exposure to the following risks arising from financial instruments:
- Market risk
- Credit risk
- Liquidity risk

Risk management framework:

The Company's principal financial liabilities other than derivatives comprise trade and other payables, borrowings, employees related payables, interest accrued, unpaid dividend, security deposit, capital creditors and others. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations.

The Company's principal financial assets includes Investment in mutual funds, security deposits, trade receivables, cash and cash equivalents, deposits with banks, interest accrued in deposits, receivables from related and other parties and interest accrued thereon.

The Company's senior level management assess these risks and is supported by Treasury department that advises on the appropriate financial risk governance framework.

All derivative activities for risk management purposes are carried out in line with the policy duly approved by board of directors. The execution of the policy is done by treasury deaprtment which has appropriate skills, experience and supervision. The policy provides that the Company should hedge through prescribed instruments to cover all possible risks of foreign currency outstanding after considering the natural hedge available and customer arrangements. It also prohibits any hedging for speculative transactions.

A. Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates - will affect the Company's financial position or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the return. The Company uses derivatives to manage market risks. All such transactions are carried out within the guidelines set by the Company.

Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales and purchases are denominated and functional currency of the Company, i.e. INR (₹). The currencies in which these transactions are primarily denominated are US dollar. The Company uses options, cross currency and interest rate swap contracts to hedge its currency risk on borrowings as per the approved policy of the Company. The Company's policy is to ensure that its net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rate when necessary to address short term imbalances. However, the Company has not designated these derivatives as hedge relationship.

Sensitivity analysis:

A reasonably possible strengthening (weakening) of USD against INR (₹) at the end of the year, would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit or loss by the amount shown below. This analysis assumes that all other variables, in particular interest rates, remain constant.

B. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers, foreign exchange transactions, deposits with banks and other financial instruments. The carrying amount of financial assets represent the maximum credit risk exposure.

i) Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry and country in which customers operate.

The Company primarily has the exposure from following type of customer:

- Original equipment manufacturers (OEMs)

Company has established a policy under which each new OEMs are analysed individually for creditworthiness before goods are sold to them. The Company's review includes due diligence by analysing financial statements, industry information, promoter's background and in some cases bank references. In case of sales, the Company has limited its credit exposure to OEMs and dealers by providing a maximum payment period up to 60 days.

The Company's expected probability of default is nil and all major payments are received on due dates without any significant delays.

The ageing analysis of trade receivables as of the reporting date is as follows:

Particulars	Neither past due nor impaired	Upto 180 days	More than 180 days	Total
Trade Receivables as of April 01, 2016	-	10,012.73	-	10,012.73
Trade Receivables as of March 31, 2017	-	10,806.98	-	10,806.98
Trade Receivables as of March 31, 2018	-	12,240.73	-	12,240.73

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade receivables, loans and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables. In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or legal entity, their geographical location, industry and existence of previous financial difficulties.

The impairment provisions for financial assets disclosed are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

However,Company need not required to provide for any risk allowance on account of trade receivable being bad and not recoverable as the amount of outstanding pertaining to trade receivables which exceeds the credit period allowed by the Company is less than 2% of the total outstanding from them.

ii) Financial assets

The Company's exposure to credit risk for financial assets is as follows:

	As at March 31, 2018	As at March 31, 2017	As at April 01, 2016
Investments	13,572.96	10,029.59	4,742.64

Receivable on sale of investment	-	951.38	-
Total	**14,017.93**	**11,486.25**	**5,352.68**

C. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities, when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's primary sources of liquidity include cash deposits,short term investments in mutual funds, borrowings, undrawn committed credit facilities and cash flow from operating activities. The Company seeks to increase income from its existing operations by maintaining quality standards for its goods and services while reducing the related costs and by controlling operating expenses.

Consequently, the Company believes its revenue, along with proceeds from financing activities will continue to provide the necessary funds to cover its short term liquidity needs. In addition, the Company projects cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans. However, material changes in the factors described above may adversely affect the Company's net cash flows.

As on March 31, 2018, Company doesn't have any outstanding borrowings

Note 41: First time adoption of Ind AS

As stated in note 2, the financial statements for the year ended March 31, 2018 would be the first annual financial statements prepared in accordance with Ind AS. For year up to and including the year ended March 31, 2017, the Company has prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013 and other relevant provisions of the Act ('previous GAAP').

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for year ended March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 01, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 01, 2016 and the financial statements as at and for the year ended March 31, 2017.

Exemptions applied

The Company has prepared the opening balance sheet as per Ind AS as of April 01, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets and liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS and applying Ind AS in measurement of recognised

assets and liabilities. However this principle is subject to certain exception and certain optional exemption availed by the Company. The Company has applied the following exemptions apart from mandatory exceptions in Ind AS 101:

a) Mandatory exceptions

i) Estimates

As per Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS or as at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the I GAAP unless there is a objective evidence that those estimates were in error. However the estimates should be adjusted to reflect any differences in accounting policies. As per Ind AS 101, where application of Ind AS requires an entity to make certain estimates that were not required under I GAAP, those estimates should be made to reflect conditions that existed at the date of transition or at the end of comparative period, as the case may be.

The Company's estimates under Ind AS are consistent with the above requirement. Key estimates considered in preparation of the financial statements that were not required under the I GAAP are as follows:

- Fair valuation of financial instruments carried at FVTPL.
- Determination of the discounted value for financial instruments carried at amortized cost

ii) Classification and measurement of financial assets:

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortised cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable. Accordingly, the Company has determined the classification of financial assets based on facts and circumstances that exist on the date of transition. Measurement of financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

b) Optional exemptions

i. Property, Plant and Equipment and Intangible Assets

As permitted by Ind AS 101 - First-time Adoption of Indian Accounting Standards, the Company has elected to continue with carrying values under IGAAP for all items of Property, Plant and Equipment and intangible assets. The carrying values of Property, Plant and Equipment and capital work in progress as aforesaid are after making adjustments relating to de-commissioning liabilities, if any.

ii. Determining whether an arrangement contains a lease

Ind AS 101 includes an optional exemption that permits an entity to apply the relevant requirements in Appendix C of Ind AS 17 for determining whether an arrangement existing at the date of transition contains a lease by considering the facts and circumstances existing at the date of transition (rather than at the inception of the arrangement). The Company has elected to avail of the above exemption.

iii. Investments in Joint Controlled Entities and Associates in separate financial statements

In accordance with Ind-AS transitional provisions, the Company opted to consider previous GAAP carrying value of investments as deemed cost on transition date for investments in Joint Ventures and Associates in separate financial statement.

c) Other Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following table represents the reconciliations from previous GAAP to Ind AS

Notes to First Time Adoption:

1) Fair Value through profit & loss

Under previous GAAP, investments in long term equity instruments are shown at cost and tested for provision other than temporary diminution. As per Ind AS 109, such investments are measured at fair value through profit & loss (FVTPL) and resultant gain/(loss) is recognised in statement of profit & loss.

2) Mark to Market on derivative instruments

Under the previous GAAP, the premium or discount arising at the inception of forward contracts are amortised as an expense in statement of profit & loss. As per Ind AS 109, such derivative contracts are marked to market at reporting date and resultant gain/(loss) is recognised in statement of profit & loss.

3) Effective interest rate adjustment on borrowings

As per Ind AS 109 requires transaction costs incurred towards origination of borrowings to be dedcuted from the carrying amount of borrowings on initial recognition. These costs are recognised in the statement of profit & loss over the tenure of the borrowings as part of finance cost by applying the effective interest method. Under previous GAAP, these transactions were charged to statement of profit & loss on straight line basis over the period of loan.

4) Proposed Dividend

Under Previous GAAP, proposed dividends and related the dividend distribution tax are recognised as a provision in the year to which they relate, irrespective of when they are declared. Under Ind AS, dividends and related dividend distribution tax are recognised as a liability in the year in which it is approved by the shareholders in the Annual General Meeting of the Company.

5) Retirement Benefits

Actuarial gain/(loss) - Under Previous GAAP, the actuarial gain/(loss) of defined benefit plans has been recognised in Statement of Profit and Loss as an exceptional item. Under Ind AS, the remeasurement gain/(loss) on net defined benefit plans is recognised in Other Comprehensive Income net of tax.

6) Discounting of security deposits for leases

Under Previous GAAP, the security deposits for leases are accounted at an undiscounted value. Under Ind AS, the security deposits for leases have been recognised at discounted value and the difference between undiscounted and discounted value has been recognised as 'Deferred lease rent' which has been amortised over respective lease term as rent expense under 'other expenses'. The discounted value of the security deposits is increased over the period of lease term by recognising the notional interest income under 'other income'.

7) Lease Equalisation Reserve

Under Previous GAAP, lease payments are required to be recognised on a straight-line basis over the term of the lease. Under Ind AS, lease payments which are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, are required to be recognised as an expense in line with its contractual term. Accordingly, the provision for scheduled increases on operating lease recognised under Previous GAAP has been written back under Ind AS.

8) Reclassification adjustment (Mat credit entitlement and excise duty)

MAT credit entitlement: Under previous GAAP, MAT credit entitlement was being shown separately under the head "Loans and Advances" whereas under Ind AS, the same is required to be shown under the head "Deferred tax asset"

Excise duty: Under previous GAAP, revenue form operations was shown net of excise duty, whereas as per Ind AS excise duty paid should be presented as a separate line item under the head 'Expenses' on the face of the Statement of Profit and Loss.

9) Prior period expenses

Under previous GAAP, prior period items was required to be disclosed separately in the financial statements. However, as per Ind AS, Company is required to adjust material prior period errors retrospectively by restating the comparative amounts for the earliest prior period presented. Further, where the amount of prior period pertains to the period before the earliest prior period presented, opening balances of the earliest period presented are to be restated.

10) Deferment of Revenue

Under Ind AS, Income from services including the associated selling cost is deferred over the respective years to which they pertain. Such income is recognised on straight line basis over the warranty period and the associated service claim cost is recognised as an when incurred and no provision is recognised for warranty cost whereas under previous GAAP, provision for warranty were made and revenue against the same had been recognised in full in the year of sale.

11) Investment in joint ventures

Under Ind AS, joint ventures are consolidated on equity method as required under Ind AS 28 while under previous GAAP joint ventures are consolidated on proportionate consolidation method.

12) Other Ind AS Adjustments

Other adjustments include adjustments on various matters which have not been disclosed separately considering the materiality of the amounts involved.

13) Deferred Tax Adjustments

Retained earnings and statement of profit & loss has been adjusted consequent to the Ind AS transition adjustments with corresponding imoact to deferred tax, wherever applicable.

Note 42 : In view of the management, the current assets (financial & other) have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet.

Note 43 : Events occurring after balance sheet date

There are no major events which has occurred after the balance sheet date.

Note 44 : Alignment of accounting policy for consolidation

In case of Toyo Sharda India Private Limited, the joint venture, depreciation on property, plant and equipment has been provided on straight line method as per the rates prescribed in Schedule II of the Companies Act, 2013 which is inconsistent with the written down value method of depreciation used in case of Parent. However it is impracticable to harmonise, therefore adjustment for the same has not been made in the consolidation financial statements

Auditors' Limited Review Report

To
The Board of Directors
Sharda Motor Industries Limited

We have reviewed the accompanying statement of unaudited standalone financial results ("the Statement") of Sharda Motor Industries Limited ("the Company") for the quarter ended 31 December, 2018 and year to date results for the period from 01 April, 2018 to 31 December, 2018, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016, dated July 5, 2016.

This statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results, prepared in accordance with applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016, dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Certificate for Non-applicability of requirement prescribed in Para (I)(A)(9)(a) of Annexure I of SEBI Circular No. CFD/DIL3/CIR/2017/21 dated March 10, 2017 ('SEBI Circular') pursuant to para (I)(A)(9)(c) of SEBI Circular in respect of draft Scheme of Arrangement between Sharda Motor Industries Limited ("Demerged Company or SMIL") and NDR Auto Components Limited ("Resulting Company or NACL") and their respective shareholders and creditors ('the Scheme')

It is hereby certified that the draft scheme of arrangement involving Sharda Motor Industries Limited ("Demerged Company" or "SMIL") and NDR Auto Components Limited ("Resulting Company or NACL") and their respective shareholders and creditors does not, in any way violate, override or limit the provisions of securities laws or requirements of the Stock Exchange(s) and the same is in compliance with the applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR Regulations") and the Securities and Exchange Board of India circular no. CFD/DIL3/CIR/2017/21 dated March 10, 2017 ("SEBI Circular"), including the following:

1. At the request of Sharda Motor Industries Limited ('Company'), we have examined the books of accounts, draft Scheme of Arrangement between Sharda Motor Industries Limited and NDR Auto Components Limited and their respective shareholders and creditors under section 230 to 232 of the Companies Act, 2013 read with section 66 of the Companies Act,

2013, and other applicable provisions of the Companies Act, 2013, and other relevant records and documents maintained by the Company in the usual course of business, for the para (I)(A)(9)(a) of Annexure I of SEBI Circular ('the Undertaking'), in relation to the Scheme.

2. In connection with requirements as stated in para 1 above in terms of para (I)(A)(9)(c) of Annexure I of SEBI Circular, we have been provided relevant confirmations and undertakings by the Company. We have relied on the above undertaking and confirmations for the purpose of issuing this certificate.

3. The attached undertaking and compliance with the SEBI Circular is the responsibility of the Company's management. Our responsibility is to provide a certificate in terms of para (I)(A)(9)(c) of Annexure I of the SEBI Circular on the said undertaking to certify whether the conditions mentioned in para (I)(A)(9)(a) of Annexure I of SEBI Circular (in relation to e-voting by public shareholders) are applicable to the Company or not.

4. We conducted our examination in accordance with the 'Guidance Note on Audit Reports and Certificate for Special Purposes' and Standard of Auditing issued by the Institute of Chartered Accountants of India. Our scope of work did not involve us performing any audit test in the context of our examination. We have not performed an audit, the objective of which would be the expression of an opinion of the financial statement, specified elements, accounts, or items thereof, for the purpose of the certificate. Accordingly, we do not express such opinion. Further, our examination did not extend to any aspects of legal or proprietary in nature in the aforesaid Scheme other than matters referred to in the said certificate.

5. Based on our examination of the Undertakings and confirmation given by the management and the Scheme and according to the information and explanations given to us and specific representations received by us from the management, we certify that the conditions prescribed in para (I)(A)(9)(a) of Annexure I of SEBI Circular (in relation to e-voting by public shareholders) are not applicable to the Scheme for the reasons stated in the accompanying undertaking.

6. This certificate is intended solely for the purpose of submission to the Stock Exchanges and Hon'ble National Company Law Tribunal (NCLT) in connection with the approval for the Scheme under the SEBI (Listing Obligations and Disclosure Requirements) Regulations,

2015 and in pursuance to the provisions of Companies Act, 2013 and other applicable provision, if anyand should not be used for any other purpose or distributed to any other party.

Sharda Motor Industries Ltd.

Undertaking in relation to Non-applicability of requirements prescribed in para (I)(A)(9)(a) of Annexure I of SEBI Circular No. CFD/DIL3/CIR/2017/21 dated March 10, 2017 ('SEBI Circular') in respect of Draft Scheme of Arrangement between Sharda Motor Industries Limited and NDR Auto Components Limited and their respective shareholders and creditors ('the Scheme')

This is in connection with the Draft Scheme of Arrangement between Sharda Motor Industries Limited ("Demerged Company or SMIL") and NDR Auto Components Limited ("Resulting Company or NACL") and their respective shareholders and creditors under section 230-232 of the Companies Act, 2013 read with section 66 of the Companies Act, 2013, and other applicable provisions of the Companies Act, 2013, and pursuant to the SEBI Circular wherein SEBI has mandated all listed companies to ensure that the Scheme submitted with the Hon'ble National Company Law Tribunal, Delhi Bench, for sanction, provides for all material facts in the explanatory statement in terms of para (I)(A)(9)(a) of the SEBI Circular.

Sharda Motor Industries Limited hereby undertakes that the requirement of para (I)(A)(9)(a) of the SEBI Circular pertaining to e-voting by public shareholders is not applicable to the Company for the following reasons:

1) **Para (I)(A)(9)(b)(i)**

Where additional shares have been allotted to Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group of the listed entity

Reasons for non-applicability

This clause is not applicable in our fact pattern as upon demerger coming into effect, the following has been envisaged:

Issue of shares by NDR Auto Components Limited to the existing shareholders of Sharda Motor Industries Limited:

NACL shall issue and allot equity shares on a proportionate basis to each member of SMIL whose name are recorded in the registers of members of SMIL as holding equity shares on the Record Date (as mentioned in the Scheme), as under:

SHARDA MOTOR INDUSTRIES LTD. NEW DELHI

Regd. Office : D-188, Okhla Industrial Area, Phase-I, New Delhi - 110 020 (INDIA)
Tel.: 91-11-47334100, Fax : 91-11-26811676
E-mail : smil@shardamotor.com, Website : www.shardamotor.com
CIN NO-L74899DL1986PLC023202

"For every 1 (One) equity share of face value of Rs.10/- (Rupees Ten only) each held in SMIL as on the Record Date, the equity shareholders of SMIL shall be issued 1 (One) equity share of face value Rs.10/- (Rupees Ten only) each credited as fully paid-up in NACL.

With the issue and allotment of the new equity shares by NACL to the equity shareholders of SMIL in accordance with clause 12 of the Scheme, in the books of NACL, all the equity shares issued by NACL to SMIL and held by SMIL shall stand cancelled, extinguished and annulled on and from the Effective Date (as mentioned in the Scheme)."

This will ensure that the shareholding pattern of NACL is identical to the shareholding pattern of SMIL.

Accordingly it is evident from the above that all the shareholders of SMIL would get shares in NACL in proportion to their entitlement and there would be no additional shares allotted to Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group.

2) Para (I)(A)(9)(b)(ii)

Where the Scheme of Arrangement involves the listed entity and any other entity involving Promoter / Promoter Group, Related Parties of Promoter / Promoter Group, Associates of Promoter / Promoter Group, Subsidiary/(s) of Promoter / Promoter Group.

Reasons for non-applicability

This clause is not applicable in our fact pattern as the Scheme is envisaged between SMIL and its subsidiary, NACL and thus it does not involve any arrangement between SMIL and any other entity involving Promoter / Promoter Group, Related Parties of Promoter / Promoter Group, Associates of Promoter / Promoter Group, Subsidiary/(s) of Promoter / Promoter Group.

3) Para (I)(A)(9)(b)(iii)

Where the parent listed entity has acquired, either directly or indirectly, the equity shares of the subsidiary from any of the shareholders of the subsidiary who may be Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group of the parent listed entity, and if that subsidiary is being merged with the parent listed entity under the Scheme.

Reasons for non-applicability

This clause is not applicable as SMIL (being the parent listed company in this context) has not acquired, either directly or indirectly, the equity shares of NACL (the subsidiary) from any of the shareholders of NACL who may be Promoter/ Promoter Group, Related Parties of Promoter/ Promoter Group, Associates of Promoter/ Promoter Group, Subsidiary/(s) of Promoter/ Promoter Group of SMIL. Further, the Scheme is not for the purpose of merger of subsidiary with its parent listed company.

4) Para (I)(A)(9)(b)(iv)

Where the scheme involving merger of an unlisted entity results in reduction in the voting share of pre-scheme public shareholders of listed entity in the transferee / resulting company by more than 5% of the total capital of the merged entity

Reasons for non-applicability

The Scheme does not involve merger of unlisted entity with listed entity.

5) Para (I)(A)(9)(b)(v)

Where the scheme involves transfer of whole or substantially the whole of the undertaking of the listed entity and the consideration for such transfer is not in the form of listed equity shares.

Reasons for non-applicability

The Scheme envisages demerger of Automobile Seating Undertaking (as defined in the Scheme) of SMIL into NACL.

As per the SEBI Circular, for the purposes of para (I)(A)(9)(b)(v), the expression "substantially the whole of the undertaking" in any financial year shall mean 20% or more of the value of the company in terms of consolidated net worth or consolidated total income

during the previous financial year as specified in section 180(1)(a)(i) of the Companies Act, 2013.

Pursuant to the Scheme, the shares of NACLshall be listed on National Stock Exchange of India Limited and Bombay Stock Exchange Limited as per Clause 12.9 of the scheme.

In light of the above reason, SMIL is not required to seek approval of public shareholders through e-voting in relation to the Scheme.

India

1. This Certificate is issued in accordance with the terms of our engagement letter dated 25.02.2019 in reference to the Draft Scheme of Arrangement ('the Scheme") between Sharda Motor Industries Limited and NDR Auto Components Limited and their respective shareholders and creditors.

2. The accompanying Statement of Turnover and profit after tax for the years ended March 31, 2017 and March 31, 2018 and net worth as at March 31, 2017 and March 31, 2018 (hereinafter referred together as the "Statement") (Annexure-1) contains the details as required pursuant to compliance with the terms and conditions contained in connection with aforesaid Scheme, which we have initialled for identification purposes only.

Management's Responsibility for the Statement

3. The preparation of the Statement is the responsibility of the Management of Sharda Motor Industries Limited (hereinafter the "Company") including the identification of assets and liabilities of relevant divisions, preparation and maintenance of all accounting and other relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation.

Practitioner's Responsibility

4. Pursuant to the requirements of the Scheme, it is our responsibility to provide a reasonable assurance whether the amounts in the Statement that form part of the Turnover and profit after tax for the years ended March 31, 2017 and March 31, 2018 and net worth as at March 31, 2017 and March 31, 2018 have been accurately extracted from the audited financial statements/ books of accounts for the years ended March 31, 2017 and March 31, 2018 and net worth as at March 31, 2017 and March 31, 2018 is arithmetically correct.

5. The audited financial statements for year ended March 31, 2018 referred to in paragraph 4 above, have been audited by us. Our audit of the financial statements for the year ended March 31, 2018 was conducted in accordance with the Standards on Auditing and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

   The audited financial statements for the year ended March 31, 2017 referred to in paragraph 4 above, are based on the previously issued statutory financial statements, audited by the predecessor auditor whose report for the year ended March 31, 2017, dated May 30, 2017 expressed an unmodified opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us. Our opinion is not modified in respect of above matter.

6. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.

7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

8. Based on our examination, as above, we are of the opinion that the amounts in statement in respect of turnover and profit after tax for the years ended March 31, 2017 and March 31, 2018 have been accurately extracted from the audited financial statements/ books of accounts/ for the years ended March 31, 2017 and March 31, 2018 and net worth as at March 31, 2017 and March 31, 2018 is arithmetically accurate.

Restriction on Use

9. The certificate is addressed to and provided to the Board of Directors of the Company solely for the purpose to enable comply with requirement of the Scheme and to submit the accompanying Statement to the Stock Exchange (NSE and BSE), and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.
